Prayer Chain Ministry Team

Members of the prayer chain lift up those who have asked for prayer through the day, literally surrounding them with our thoughts and prayers. Anyone can be a member of the prayer chain; anyone can ask for a prayer request. For more information contact Pat Shumka or Roselyn Jones.

Prayer Ministry

Members of the Prayer Ministry meet everyone Monday online via Zoom. Everyone is welcome to join this gathering, which meets informally for an hour of prayer. You are also welcome to make a prayer request with all requests being kept confidential. For more information or to make a request please contact Jean Hazemi.

Join Our Place Society for Coldest Night of the Year

On February 20, 2021, gather your faith community and your families to join this walk-a-thon that will take place both virtually from your neighbourhood and, conditions permitting, in timed, distanced, masked groups downtown and on the West Shore. Invite another faith community to walk, too! You can join the fundraiser to help ensure that people experiencing homelessness have drop-in access to snacks, washrooms and showers during evenings and weekends.

Care Kits and Warm Clothes

Everyone needs to feel warm and clean! You can help by providing essential items like first aid supplies, feminine hygiene products and toiletries. This year, Our Place provided over 14,000 showers to people in need. Warm clothing, socks, toques, gloves and face masks are also needed. You are welcome to drop off new items at 919 Pandora or 94 Talcott Road, daily. Or, you can help Our Place purchase care kits for vital needs.

Sponsor a Breakfast

Every day, hundreds of nutritious meals and snacks are served at the Our Place downtown Drop-in Centre. Hot, filling breakfasts are important during the cold months, and a shared meal is often the first step toward a healthier life and a sense of community in times of despair. Your faith community can help spread the warmth by sponsoring a meal — your efforts will be recognized in an upcoming feature in the Times Colonist in the new year.

The COVID-19 Protocol Development Team Report

January 7, 2021

The Protocol Development Team has resumed its meetings and consultations for the new year. Please continue to have patience as we look with hope into the future. All will be well again, says the oft quoted, Julian of Norwich. Dr Bonnie is leading us through and as this congregation continues to find ways to minister and make things easier for each other, we celebrate that we are a part of such a caring community of faith.

From your Covid-19 Protocol Development Team

Laurie Mueller, Rick Nuttall, John Anderson, Sue Christensen, Atholl Malcolm, Bill Walker, Bill Cantelon & Nancy Walker

Did you know?

Dorothy Nelson, a long time member of Cordova Bay United who now resides in New Brunswick, has been joining us on ZOOM. How wonderful that our faith community can connect with folks miles away.
