

# The Prospect Land Use Ordinance

## Committee

The Prospect Land Use Ordinance Committee was appointed by Prospect's Municipal Officers and Planning Board following the unanimous vote by the residents for the Town's Comprehensive Plan. We have been meeting and working to organize many existing ordinances, such as the Shoreland Zoning and Subdivision Ordinances, into one comprehensive ordinance - The Land Use Ordinance. This ordinance will also provide additional protection on land use development, consistent with the Comprehensive Plan, ensuring Prospect's character remains much the same as it is today.

## Residents: We need to hear from you!
