

Hi everyone,

As I start this newsletter we are still in the grips of a cold spell, but my people tell me that's about to end this coming weekend. There's lots to celebrate this month: 10<sup>th</sup> – Daylight Saving Time Starts; 11<sup>th</sup> – Commonwealth Day, 17<sup>th</sup> – St. Patrick's Day; 18<sup>th</sup> – St. Patrick's Day for those trans-planted Newfoundlanders; 29<sup>th</sup> – Easter Friday and the 31<sup>st</sup> – Easter Sunday. There are a few other days important to me, but will leave that for another time.

Our AGM Team is still working hard getting this event organized. There are many pieces that have to come together, but I honestly believe we have accomplished the hard stuff and now it's time to finish the little things that make the event special. I can say with a great deal of confidence the wind-up Gala on Saturday, 8<sup>th</sup> June should be very entertaining with some special performances. We hope many of you from Edmonton Division are seriously considering attending, if not for the entire event, please join us for the Gala, I am sure anyone attending will enjoy the evening. For your convenience, the Registration form can be downloaded [here](#) and the Registration Instructions can be located [here](#). If you have any questions please do not hesitate to contact me or Jerry Plastow as noted on the Registration Form.

Our Guest Speaker at the Dinner Meeting, **as noted to the right**, was Geoff McKay. Geoff retired out of St. Albert Detachment and then went back to work as a Reservist in 2011. He ended up working in the North when Covid occurred as there wasn't any work for him in St. Albert. He is still working as a Reservist out of St. Albert Detachment. He spoke about his time in the north, but in particular, Hall Beach Nunavut.

Geoff McKay and some kids from Hall Beach

When there Geoff made a simple “ASK” on Facebook for people to get a prepaid box at the Post Office and fill it with food, treats like chocolate and small toys for the kids in the community which he would personally distribute. This “ASK” reached South Surrey, BC where it blossomed into boxes coming from all over Canada and even New York, USA resulting in the article below which explains it much better than I can.

Following the article, I’ve included some web locations where you can read more about Geoff’s ventures which are truly AMAZING! Just click on the name of the articles to read the actual reports.

## **Call for help in Nunavut reaches South Surrey**

*A retired RCMP officer’s quest for care packages spurred many to act - Apr 24/26 - 2021*  
*He may not have any direct connection to South Surrey, but a retired RCMP officer has inspired local residents to help in Nunavut, nonetheless.*

*Susan Richards de Wit said she was moved to assemble care packages for a community in the northern territory after learning of a Facebook ask posted by Geoff McKay.*

*McKay – who retired from the St. Albert, Alta. detachment in 2008 with 25 years’ service under his belt – told people that he would be in Hall Beach, Nunavut through March, as part of a swing shift where officers relieve each other for a month at a time to serve in the rural communities. (The RCMP Reserve program hires retired or former officers to fill temporary vacancies within the RCMP. Reservists are sworn in for three years at a time and can work as much or as little as they like. McKay was first sworn in as a reservist in May 2011.)*

*“His ask was for people to get a prepaid box at the post office and fill it with food, treats like chocolate and small toys for kids in the community which he would personally distribute,” de Wit told Peace Arch News.*

*In his Jan. 30 post – composed after receiving a box of goodies himself – McKay directed those eager to help to shipping boxes available at Canada Post for \$20 each.*

*“I was hoping that my friends could help me make some kids day in my next community in March,” McKay writes. “Don’t want to say too much but a fellow here knocked on my door every evening looking for food. Some of them here don’t have too much.*

*“Why don’t you fill one up for a kid... boy or girl under 10,” he continues. “I will deliver it personally when I get there.”*

The response blew McKay away, with boxes arriving from across Canada and as far away as New York City, according to [revwords.com](http://revwords.com)

McKay told PAN that “quite a few” boxes came from the Lower Mainland – “way more than I ever expected.”

“It was a good story,” he said.

Noting he spent between seven and eight months in different northern communities last year, McKay described Hall Beach as “a pretty special place.”

“The community really appreciated the kindness that was in every box... about 300.”

De Wit – who, with her husband Bob and their daughter Amadea, launched a Special Olympics Sport Start program in South Surrey in 2013 – said she first heard of the effort from a friend in Anmore, then confirmed it through the on-duty officer at the Hall Beach detachment.

In early March, she mailed off two boxes full of items including canned food, chocolate and small toys. A pair of shoes, new socks and small food items were donated to the cache by Special Olympics athlete Shaylyn Allen, de Wit added.

Allen described responding to McKay’s request as “so much fun!”

“I like to make new friends and be of service when I can,” she said in a statement provided to PAN.

Last week, she received a thank-you card from McKay, along with photos of the recipients.

She said it’s “just great to see this officer doing such good work and using Facebook to spread a bit of joy in communities that might otherwise be forgotten.”

“I think we all want to help children and families and he gives us an opportunity to do just that! **The RCMP work tirelessly, and this is just an extra act of kindness on his part.**”

---

## **DELIVERING HAPPINESS IN NUNAVUT**

Maybe it was the thought of a child opening a box, looking inside, and shouting, “Wow!!” Or maybe it was the idea that an RCMP officer would personally deliver the box to the child’s home. Law enforcement at the door in Nunavut usually means bad news but that officer would deliver an unexpected package of happiness. Whatever, we found ourselves in - 33 Celsius wind chill going shopping for somebody else’s child.

### **WOW At Your Door**

Our friend, Geoff, posted his idea of a good time on Facebook. He was working in Coral Harbour which sounds like a blue lagoon type place but it’s in Canada’s frozen north.

## Students rally gifts for Nunavut

*250 boxes headed to Arnaqjuaq School - Dec 1, 2022*

**FILL A BOX** — Outreach Grade 10 student Cole Garritty shows off some of the full and empty gift boxes being gathered at Lois E. Hole Elementary on Nov. 25, 2022. Garritty has rallied students and parents at four St. Albert schools to try and get 250 boxes of necessities to students in Sanirajak, Nunavut, by Christmas. *Albert Gazette*

## St. Albert student Santas distribute 600 gifts to NWT students

*Dec 6, 2023 "72 hours of pure joy," says principal*

*Two St. Albert student Santas are back in town this week after handing out some 600 gifts to students in Canada's north.*

**STUDENT SANTAS** — Outreach High students Cole Garritty (centre, with hat) and Jeric Macdonald (right of Garritty) distribute gift boxes to a Grade 1 class in Betchoko, NWT. The students distributed some 600 gift boxes to NWT residents from Nov. 29 to Dec. 3 as a charitable initiative.

### New Members - February 2024

Jean VICKERY	23245W	Leduc Country
Keith REDL	36710	Grande Prairie
Robin BITTORF	37581	Devon
David BROSINSKY	46846	Edmonton
Jerry SCOTT	41453	St. Albert

I welcome the new members as listed above to Edmonton Division and hope you can join us at one of our Dinner Meetings.

To the left we have Carol Blannin, and seated with her, Alanna Jardine, a first-time attendee to one of our Dinner Meetings. Not only that, this

was her first day as a retired member having served her last day in the Force on the 26<sup>th</sup> Feb.

We had a nice crowd attend this Dinner/General Meeting and below are a couple of pictures of those in attendance.

## Edmonton Division RCMP Veterans 150<sup>th</sup> Anniversary Coin

Edmonton Division of the RCMP Veterans Association have designed a coin to celebrate the 150<sup>th</sup> Anniversary of the RCMP in Alberta. In 1874, the NWMP arrived in Alberta and established posts in Fort MacLeod and Fort Saskatchewan. The coin celebrates the rich history of the Force in Alberta for 150 years.

The front of the coin features a Member of the NWMP in uniform from 1874 alongside a Member of the Force in current day Review Order under the Provincial Crest of Alberta. The banner on the front acknowledges the arrival of the NWMP in Alberta – “NWMP arrived in Alberta 150 Years ago – 1874.”

The back of the coin depicts Fort Saskatchewan, which was established in 1875. When first built, it was known as the Sturgeon Creek Post, but then later renamed Fort Saskatchewan. If you plan to attend the AGM in Edmonton in June, we have planned a tour to the Fort, as well as the RCMP Cemetery in Fort Saskatchewan.

The cost of the coin is \$20 and will be for sale at all Edmonton Division monthly dinner meetings. We will also ship to anywhere in Canada for an additional \$5. Larger orders may require a nominal increase in shipping costs. To place your order, please email your name, address, phone number and number of coins you would like to [AGM2024@EDMRCMPVETS.CA](mailto:AGM2024@EDMRCMPVETS.CA)

Payment can be made by e-transfer to [AGM2024@EDMRCMPVETS.CA](mailto:AGM2024@EDMRCMPVETS.CA) and please put “150 coin” in the comments. The security question answer should be “RCMP.”

Thank you,  
Kees Kikkert, President  
RCMP Veterans’ Association  
Edmonton Division

## Chaplain’s Corner

As result of the recent deaths of police officers which caused an inquiry by one of our Vet Members, our Chaplain, Cyril Gowler, advises should any Veteran experience difficulty with PTSD / OSI and wish to talk with someone, he is available should they wish to talk with him. Please note one may think seeing the word “Chaplain” you may immediately think “religion.” Cyril wants people to know it’s always about their personal challenges and he would NOT be responding to them with the motive of “preaching” at them.

If they understand this reality he can easily approach them if they contact him.

Cyril has an extensive network, so he is able to direct people to resources or handle their challenges “in-house” himself or whatever they choose.

As time goes on we hope to add people to the help list, especially female chaplains so they are offering equal opportunities. Cyril’s contact information is as follows.

**Commanding Officer's Message**

It is my pleasure to announce that Assistant Commissioner Rob Hill, Commanding Officer of D Division, will be joining the Alberta RCMP as our newly appointed Commanding Officer. Assistant Commissioner Hill has over 26 years of experience in policing, having joined the RCMP in 1997 after serving as a medic with the Canadian Armed Forces for seven years. He holds a Master's Degree in International Police Leadership from Charles University and graduated from the Executive Development in Policing Program from the Canadian Police College.

For Assistant Commissioner Hill this will be a return to Alberta. He formerly served as Officer in Charge of Parkland Detachment, as well as a Superintendent in Central Alberta District. He has worked with the Critical Incident Program and worked with the National Critical Incident Program, developing and overseeing the implementation of the RCMP's Tactical Casualty Management Program. Assistant Commissioner Hill brings experience and skills to the Alberta RCMP, and I am confident that his experience will serve him well here.

While it has been an honour to serve as the interim Commanding Officer of the Alberta RCMP, I look forward to working with the soon-to-be Deputy Commissioner Hill to serve the people of Alberta.

Thank you,  
Trevor Daroux, O.O.M.  
Assistant Commissioner  
Acting Commanding Officer

### **Elk Point RCMP lay charges after multi-jurisdictional investigation**

On the afternoon of Feb. 8, Elk Point RCMP were dispatched to a report of a theft of motor vehicle and kidnapping. The investigation determined an adult victim had been sleeping in the backseat of a SUV when it was stolen from a gas station in Elk Point. The victim awoke to a stranger driving the SUV and requested the suspect to stop, which they did not. The victim was able to escape when the suspect reduced speed in attempts to change their direction of travel.

Upon further investigation, RCMP identified several other suspects who appeared to have assisted with the theft of the SUV. A suspect vehicle was located in Clandonald where RCMP arrested three suspects without incident.

At the same time-frame, RCMP responded to break-ins in Derwent and a residence south of Beauvallon. The stolen SUV had driven through a shop in Derwent, causing significant damage, and done the same in Beauvallon, nearly striking a resident. RCMP attended the residence and attempted to arrest the suspect. The suspect was able to evade arrest by driving away in a SUV stolen from the residence.

Officers continued to pursue the suspect, who was stealing a pickup truck that was left running outside a shop. RCMP utilized vehicle contact to disable the stolen truck.

The suspect entered the shop and stole a second pickup truck, with a utility trailer attached, that was parked inside. The suspect proceeded to ram police vehicles and escaped by driving through an exterior wall of the

building. Officers continued their pursuit until St. Paul RCMP members deployed a tire deflation device and were successful in stopping the vehicle north of Saddle Lake Cree Nation.

As a result of the investigation, three residents of Bonnyville, Saddle Lake, and St. Paul have been charged with Kidnapping and Theft of Motor Vehicle.

One resident of Goodfish Lake has been charged with 22 criminal code offences, including:

- Kidnapping;
- Theft of motor vehicle (x6);
- Mischief – causing danger to life;
- Break and enter to residence (x2); and
- Mischief over \$5,000 (x3).

### **Bonnyville RCMP meet with community to discuss auto theft prevention**

Last month, Bonnyville RCMP, in partnership with the Alberta RCMP's Community Safety and Well-being Branch, hosted an auto theft awareness event at the Bonnyville & District Centennial Centre. During the event, RCMP discussed with the community what steps they can take to protect their property and reduce vehicle thefts in the community. Residents were also provided with steering wheel locking devices and RFID blocking pouches to assist in keeping their vehicles safe.

In Alberta, theft of motor vehicles remains a serious issue. The most likely vehicles to be stolen across the province are pickup trucks, with the top five vehicles stolen being:

1. Ford F250 Series (2007)
2. Ford F350 Series (2005)
3. Chevrolet/GMC Silverado/Sierra 2500 Series (2006)
4. Dodge RAM 2500 Series (2001)
5. Chevrolet/GMC Silverado/Sierra 3500 Series (2005)

"Last year, the Alberta RCMP received over 8,000 reports of auto theft across the province," says S/Sgt. Luke Halvorson, Alberta RCMP Community Safety and Well-being Branch. "Many of these thefts could have been prevented by following some simple safety procedures."

"Since Jan. of 2023, we've had 190 instances of vehicles being stolen and 73 instances of thefts from vehicles," says S/Sgt. Sarah Parke of the Bonnyville RCMP. "We're hoping that by meeting with the community, talking about what they can do to prevent auto theft, and showing them the resources that are available to them, we can get that number down to zero."

### **Alberta RCMP Traffic Unit conducts successful check stops in Rocky Mountain House**

On Jan. 31, Alberta RCMP Traffic – Rocky Mountain House conducted a joint operation with Sundre, Olds and Didsbury detachments, along with Fish and Wildlife, Sheriffs and Sundre Peace Officers. Two check stops were conducted in Sundre. Over 600 vehicles were checked, resulting in four vehicles towed, one IRS Fail, two IRS Caution, one no insurance charge, and several other provincial violations. There was an overwhelming, positive response from the public with hundreds of thank-yous and thumbs-ups as they passed through the check stop.

### **Bower Place unveils monument to Fallen Four**

In March of 2005, the Alberta RCMP mourned the death of four Mayerthorpe constables who lost their lives in the line of duty. Cst. Peter Schiemann, Cst. Anthony Gordon, Cst. Lionide (Leo) Johnston, and Cst. Brock Myrol made the ultimate sacrifice serving the people of Alberta, and their loss is still felt to this day.

On Jan. 25, Bower Place in Red Deer unveiled a monument in honour of the fallen four to show the respect and gratitude of the community. The unveiling drew a significant crowd, including representatives from the Myrol family, community members, and emergency services.

Supt. Holly Glassford was in attendance, along with other members of the RCMP, to honour their fallen comrades and to pay respects.
