

### Feel the Difference

MyFit® custom pillow helps support your chiropractic adjustments, and gives the comfort you need for a more restful night's sleep.

Unlike one-size-fits-all pillows, MyFit® custom pillow will provide you with proper support in the neck and shoulder region.

It's the corrective support you need, and the comfort you desire.

**myfit**®  
it's all about you

Give yourself the life-improving benefits of a more restful night's sleep.

Sleep is crucial to good health because it refreshes your body and mind.

### We've Got Your Back

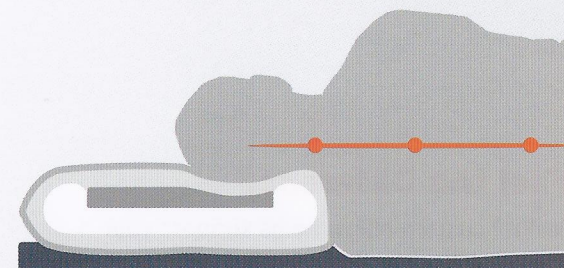

Whether you sleep on your side or back, the MyFit® custom pillow provides proper spinal alignment, which can reduce tossing and turning during the night.

Four easy measurements create a pillow that's the perfect fit for you. Taking your measurements makes the pillow a unique fit for your health and comfort.

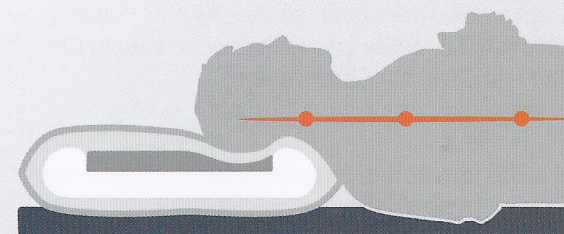

### SureRest Technology™

When you change positions during the night, alternating between your back and side, the ergonomic design of the Multi-Support Cradle™ ensures a level sleeping surface for your proper alignment.

The SureRest Technology™ combines the Multi-Support Cradle™ with a premium fiber shell to provide support and comfort so that your muscles are fully relaxed – giving you a healthier night's sleep.
