

All worship capacity/spacing limits have been currently lifted; however, because of the modest size of our church buildings, and

the continued spread of Covid in our community, **face masks will still be required at all services in the Parish, for the time being.**

We are looking for people (young and old) who might be interested in taking on the role of Server at our Sunday Services. This is a special ministry during our services as you assist the Priest and perform special liturgical duties throughout the service. In particular, we are in need of people to serve at the 9 a.m. services. Training will be provided. If you are interested in learning more about this ministry please contact Rev. Brianna.

Mothers' Union Prayer of the Week

O God, deliver us from the prejudice that comes from not caring about anything, and the prejudice that arises from caring deeply. May we be passionate in our beliefs, but respectful of those who differ from us.

Richard Harris (Praying Round the Clock - Mowbray)

Mealttime Prayer

Praise God for this gift of food and all that we have been given.
Praise God! Amen

COMMUNITY ROOTS DAY CAMP

Mark your calendars and tell your friends, our Diocesan day camp program is coming to our community **July 11th - 15th**. Similar to what you might have called Vacation Bible School in the past, this program utilizes community resources to create faith-based programming, inviting young people to explore in active and creative ways. Registration is now open for both campers and volunteers. The number of volunteers we will need depends on the number of participants who register. The links to register follow and there are also files attached if you wish to print them off and fill them out. Please pass along this notice to families in our area.
