

Music Liaison Committee

Our initial meeting was on July 26, on Zoom. The committee consists of: Margaret Chambers (chair), Margaret Bates, Lynn Dennis, Lorne Holland, Kate Insley, Fay Melling, Alan Priestley, and Elaine Zandee.

The committee will start to function as a liaison between the congregation and the music director when one is hired.

We have spent a lot of time putting together a needs list for the hiring committee to use. As of yet, the church does not have a hiring committee.

In the meantime, we are using our church band once a month, congregation members once a month and pianist James Yi two or three times a month, as well as the occasional chime solos. Due to Covid and Omicron, the choir has not yet started up.

Respectfully Submitted

Margaret Chambers, Chair
