A GENERAL THANKSGIVING

Accept, O Lord, our thanks and praise for all that you have done for us. We thank you for **the splendor of the whole of creation**, for the beauty of this world, for the wonder of life, and for the mystery of love.

We thank you for the blessing of family and friends, and for the loving care which surrounds us on every side.

We thank you for setting us at tasks which demand our best efforts, and for leading us to accomplishments which satisfy and delight us.

We thank you also for those disappointments and failures that lead us to acknowledge our dependence on you alone.

Above all, we thank you for your Son Jesus Christ; for the truth of his Word and the example of his life; for his steadfast obedience, by which he overcame temptation; for his dying, through which he overcame death; and for his rising to life again, in which we are raised to the life of your kingdom.

Grant us the gift of your Spirit, that we may know Christ and make him known; and through him, at all times and in all places, may give thanks to you in all things. Amen

MOTHERS' UNION PRAYER

Lord Jesus, there is nothing we can experience which you have not already suffered. Create in the hearts and minds of all people a realisation that we are all one in your world. Help us to emphasise those things which are similar in our cultures and may we learn to celebrate our differences. Jesus, stretch forth your wounded hands in blessing over your people, to heal and restore, and to draw them to yourself and to one another in love. Amen
