Conduct Manual

1.0 Overview

Slave Lake Dance Creations Society views the Conduct Manual as support and confirmation to the many excellent volunteers, teachers and parents who are in the majority and who have always practiced and subscribed to the fundamental principles of fun, respect and positive development of dance in our community. We see this program as a vehicle to assist them to further these values and make dance even better and more enjoyable. Anyone who may question the program are the very ones that many of the elements of the program are aimed at and are indicative of a problem and not a solution. It is not a time to be reactive, but rather proactive in advocating a program that is totally positive. We encourage the majority to confidently come forward with energy and support the Conduct Manual to make our Society even better.

2.0 Objective of the Program

To provide a program, which plays a significant role in the development of a person's values, morals, social maturity, physical fitness and mental fitness. To promote acceptable conduct which provides:

- A. Respect for persons
- B. Protection from harm
- C. Development of ethical conduct towards others
- D. Notions of justice, fairness, equity
- E. Freedom to enjoy, flourish
- F. Respect for the discipline of all types of dance

It is a must that every participant abides by these principles. A participant is defined as (but not limited to) a Director, Dancer, Teacher, or Spectator. The objective is to promote and ensure acceptable behavior.

3.0 Definition of "Unacceptable Behavior"

An individual is displaying unacceptable behavior if they are verbally or physically harassing and/or abusing a participant (Dancer, Teacher, Spectator). When there is a situation of "unacceptable behavior", the responsibilities of SLDCS, Teachers, Spectators are as set out herein. The focus is on achieving the program objectives. Confrontation should be avoided and reporting is encouraged, as it is an important step in attaining the objective

4.0 Matters of Unacceptable Conduct and Behavior

4.1 Abuse and Neglect

4.1.1 When any person has reasonable grounds to believe or observe, in the course of SLDCS business, activities or events that a child is being abused or neglected, he or she shall report this belief to the child protection authorities and/or Police.

4.1.2 SLDCS shall take no further action until such time as the authorities and/or Police have concluded their investigation unless there is cause for an immediate suspension on an interim basis to protect the child from further harm.

4.1.3 The matter shall be dealt with as a disciplinary matter pursuant to this policy, and the report of the investigation carried out by authorities may be utilized as required by SLDCS.

4.2 Harassment

Harassment is a form of discrimination. Harassment is prohibited by human rights legislation. In its most extreme forms, harassment can be an offence under the Criminal Code of Canada.

4.2.1 Harassment is defined as conduct, which is disrespectful, insulting, intimidating, humiliating, offensive or physically harmful. Types of behavior which constitute harassment include, but are not limited to:

- a) Unwelcome jokes, innuendo or teasing about a person's looks, body, attire, age, race, religion, sex or sexual orientation.
- b) Condescending, patronizing, threatening or punishing actions, which undermine self-esteem or diminish performance.
- c) Practical jokes that cause awkwardness or embarrassment, endanger a person's safety or negatively affect performance.

4.3 Cyber Bullying

SLDCS is committed to help reduce and prevent the bullying of participants. Written and Cyber Bullying is defined as harmful actions that are communicated via written or electronic media and are intended to embarrass, harm or slander another SLDCS participant. Some examples for the bullying policy are:

1. Continually criticizing the target's abilities.
2. Blaming the target for mistakes.
3. Repeated insults or put downs of the target.
4. Denying or discontinuing the target's accomplishments.
5. Threats of actual physical violence towards the target.

Written and/or Cyber Bullying within SLDCS will be dealt with as per the following:

1. Information will be gathered from sources pertaining to the incident and reviewed by the Disciplinary Committee
2. Professional assistance may be called upon as required.

3. First offense under this policy is typically a two-week, date to date suspension from all activities including practices. Offender will receive this suspension in writing. At the discretion of the Disciplinary Committee, the length of the suspension can be increased or decreased depending on the severity of the incident

4. Second offense is an indefinite suspension. The dancer will remain under suspension while the case is investigated and dealt with by SLDCS.

Note: Should there be a need for RCMP involvement, all information will be passed to the local authorities.

5.0 Complaint Handling Procedure

5.1 Implementation Trigger

The written reporting of unacceptable behavior by a Director, Member, Spectator, Instructor or Dancer is the triggering event of the complaint handling procedure. This reporting process will govern the person(s) responsible for investigating the complaint. The methods of enforcement will vary depending on the severity of the event.

5.2 Reporting Process

The Disciplinary Committee will be utilized by the Association to receive and investigate complaints. If any person feels they may not be able to deal objectively with the complaint due to personal involvement or other conflict, an alternate should be designated. All submitted incident reports will be reviewed by the President of SLDCS to ensure the appropriateness of the response and consistency of enforcement within the Association.

If a report is submitted to the Association directly, bypassing the President, then the President must be notified of the incident. If an incident occurs which meets the definition of unacceptable behavior and in the opinion of a Dancer, Spectator, Teacher, is serious enough to warrant a formal complaint, then an Incident Report Form (Appendix C) or signed written letter of complaint must be completed.

The Incident Report Form or letter should be submitted to any member of the Disciplinary Committee. Members are as follows:

- President/Vice President

5.3 Responsible Reporters

5.3.1 Directors, Members, Spectators, Dancers and Instructors

If in the opinion of a Director, Member, Spectator, Instructor or Dancer an individual is verbally or physically harassing or abusing a participant (Dancer, Teacher or Spectator), an incident report form is to be completed and forwarded to the Disciplinary Committee. This will trigger the complaint handling procedure. In the event that the individual is a member of a visiting Association, the complaint will also be forwarded to the appropriate Association.

5.4 Complaint Handling Process

All complaints are to be given to the Chair of the Disciplinary Committee (President) or the Vice President if the complaint involves the President. The Chair will determine the validity of the complaint and assemble the Disciplinary Committee as necessary. Executive Members, or their immediate families,

filing a complaint or with a complaint filed against them, will be asked to excuse themselves from the disciplinary process. When possible, within 72 hours the Disciplinary Committee will meet and discuss the validity of the complaint and how to investigate further. A written response to all reports may not always be possible, as our volunteers may not have the resources to do so. We do however hope to be able to contact complainants at some point during the process. Resolution typically takes two (2) to four (4) weeks for receipt.

All complaints will be compiled with documentation of action taken. The Disciplinary Committee will review above documentation on a necessity basis.

5.4.1A Enforcement

The Disciplinary Committee will confirm the complaint is valid and the following action will occur: 1. Verbal warning given after the first complaint.

2. Written warning after second complaint.

3. Disciplinary Committee hearing held on the third complaint. The President and appropriate Committee member can go directly to the Disciplinary Committee when a complaint is deemed to be serious and the three warnings would only prolong or escalate the behavior.

5.4.1B Disciplinary Committee Guidelines The first order of business for the Disciplinary Committee is to confirm the complaint is valid. The next step is to classify the infraction based on the following:

a) Mild - This would be applied when it is an offence, which is less severe in nature. The offending individual has shown true remorse and the actions are out of character. There is little chance of this person re-offending.

b) Moderate - This is for offences that are mild to moderate in severity. Application of this type of discipline would be for a second offence. It would also be applied to individuals who have not accepted responsibility for their actions, show no remorse and the likelihood of re-offending is high.

c) Severe - This is for the most serious offences. An example could be physically threatening or assaulting another individual. Application of this type of discipline would be for individuals who have reoffended multiple times or have not accepted responsibility for their actions, show no remorse and are likely to re-offend. The final step of the committee is to assign discipline. Discipline is outlined as:

Mild infraction: A letter of apology and/or a retraction will be required.

Moderate Infraction: Such member will receive either a 1 to 4 week suspension, at the discretion of the Disciplinary Committee, from all activities (practices, recital, festival, etc...)

Severe Infraction: A member of the Disciplinary Committee will make recommendation to the Executive for the dismissal of such member, from the Board and/or all Membership. Decisions to revoke Membership must be made by "Special Resolution".

5.4.1C Executive Members

The following disciplinary actions apply when infractions occur in their roles as Executive members as opposed to Parent, Spectator, Teacher. Only written complaints will be considered.

- a) Mild
 - Failure of an Executive Member to fulfill their job description
 - it is the first time
 - the action or inaction has not caused detrimental effects to SLDCS
 - the member accepts responsibility and corrects the problem
- b) Moderate
 - Failure of an Executive Member to fulfill their job description
 - the infraction is related to previous infractions within the same term.
 - the action, or inaction has caused some detrimental effect to SLDCS
 - the Member does not accept responsibility or does not correct the problem
- c) Severe
 - Actions taken by an Executive Member that causes detrimental effect to SLDCS
 - abuse of power, decisions made without the following of By-Laws
 - breach of confidentiality

If found to be valid, this same committee will be provided with all relevant written information related to the discipline or actions undertaken as a result of an outcome of an investigation. Appeals should be heard as soon as it is practical. The appeal must contain a clear and concise summary of the grounds for appeal. Notice of the appeal must be submitted to the VicePresident within five (5) days from the date of notification of discipline.
