

International Union  
of Painters & Allied Trades

District Council 39

# LU 1151 Training Schedule

## February – April 2020

All members are required to register for training courses. Seats are limited and are reserved on a first come, first served basis. **Please call Walter MacDonald at (902) 468-1333 or toll free at (877) 277-4488 to register.** It is important for you to check your training cards regularly and to get retraining before your courses expire. **Courses will be held during the day from 8:30am - 4:30pm on the dates shown below.** Evening and weekend courses are available upon request, provided the minimum number of participants has been attained. For courses such as Aerial Lift, Forklift, Swing stage, Lead Abatement Awareness and others, these are demand courses so if you do need these, please call the training department to register for an upcoming class. **For weather cancellations please check [www.dc39.ca](http://www.dc39.ca).**

February 2020						
Sun	Mon	Tue	Wed	Thu	Fri	Sat
*Notes: WHMIS 2015 is an online course, please contact the training dept. at <a href="mailto:wmacdonald@dc39.ca">wmacdonald@dc39.ca</a> to sign up if needed. Please note that IUPAT no longer uses United Academy for Aerial Lift and Forklift training. If these are required, please advise when you call in and training arrangements will be made.						1

Course Expiration			Course Information
<b>Safety</b>	<b>WHMIS 2015</b>	2 years*	* WHMIS 2015 should be reviewed at least annually at your workplace, when new products are brought onsite or when products change.  ** New Brunswick members also require 6 hours of CPR refresher every year in addition to re-training every three. Refresher training can be as little as a 15 min review every 2 weeks or a 30 min review every month (for a total of 6 hours); this review should be kept on record by your employer.
	<b>Fall Protection</b>	2 years	
	<b>Confined Space Entry</b>	2 years	
	<b>Respirator Fit Test</b>	2 years	
<b>First Aid/CPR</b>		3 years**	

## IUPAT DC 39 Online Training Program

As a complement to our current Apprenticeship and Safety Training program, the International Union of Painters and Allied Trades District Council 39 is continuing to offer a number of safety courses online, courses such as WHMIS 2015, Asbestos Abatement Awareness and Safety in Fire Prevention plus a host of other interesting and informational courses; they are available in both English and in French. In NB, Fall Protection and Confined Space can be taken as online refreshers provided the previous training was taken in-class and your certificates have not expired.

To take advantage of this service you must meet **all** of the following criteria:

1. You will need to have a valid and up to date mailing address and a valid email address. If you do not have an email address it is simple and free to set up an account on web sites such as [www.hotmail.com](http://www.hotmail.com) or [www.gmail.com](http://www.gmail.com) or [www.yahoo.ca](http://www.yahoo.ca) . I will be collecting email addresses during the regular in-class courses but if you are not attending one of these in the near future you can email me at [wmacdonald@dc39.ca](mailto:wmacdonald@dc39.ca) expressing your interest in taking an online course.
2. You must be an **active** member of District Council 39, and in good standing.

If you are interested in taking one or more of the online courses and you meet the above listed criteria, please contact me at the training department. I will be mailing out the official training cards upon your completion of the above-mentioned courses provided you meet the criteria mentioned above.

If you have any questions you can contact me using the information provided.
