A note of thanks and appreciation to all those who lent their gifts of music, scripture readings, narration, prayers, technology, greeters and everything in between during our Advent and Christmas time.

Wishing you all blessings in the new year

Our January Community Collection is for Margaret Laurence House

For the month of January CBUC will be receiving donations of cleaning items listed below for the following organization.

Margaret Laurence House (MLH) is a community-based second stage program for women who are leaving an abusive intimate relationship and who have their children in their care at least 50% of the time. MLH provides housing, support, counselling and advocacy. We believe that all individuals have a basic human right to live in a non-violent world. Our role is to provide a safe place where women's values are accepted and respected. We believe women have the right to direct their own lives. As a result, all programming offered to women is trauma informed and works to help women establish their own goals and develop strategies to meet those goals.

Receiving the extra support from Cordova Bay United Church with the cleaning supplies will help the families living here to keep a clean safe environment for them and their children. More importantly, it frees up money in their often tight budget for necessary food and clothing for their children.

Suggested items are:

- Cleaning fluids for kitchen or bath
- Cleaning cloths/brushes, sponges
- Indoor Garbage bags
- Dish Detergent
- Powdered Laundry Detergent
