Missing

Three terracotta pots and two matching saucers were left on the kitchen counter about three weeks ago. These were for sale with the proceeds to go to our Mission and Service fund. They seemed to have disappeared and we are wondering if anyone knows what has happened to them. Thank you.

- **Compassionate Warehouse** is looking for the following sewing notions and crochet and knitting supplies. Please put donations in the laundry basket in the Narthex and Barbara Shobbrook will deliver them to the Warehouse. Thank you.

World Food Sunday, October 20

The world's farmers produce enough food to feed more than the global population yet, hunger persists.

Around 733 million people are facing hunger in the world due to repeated weather shocks, conflicts, economic downturns, inequality, and the pandemic. This impacts the poor and vulnerable most severely, many of whom are agricultural households, reflecting widening inequalities across and within countries.

Food is the third most basic human need after air and water – everyone should have the right to adequate food. Human rights such as the right to food, life and liberty, work and education are recognized by the Universal Declaration of Human Rights and two legally binding international covenants.

The Food and Agriculture Organization of the United Nations (FAO) created World Food Day on October 16, 1945. The goal of the FAO is to free humanity from hunger and malnutrition, and to effectively manage the global food system. World Food Day events are organized in over 150 countries across the world, making it one of the most celebrated days of the UN calendar. These events promote worldwide awareness and action for those who suffer from hunger and help strengthen the link between agriculture and food security. The United Church of Canada recognizes the third Sunday in October as World Food Sunday.

This year Cordova Bay United Church will support the Saanich Peninsula Lions Food Bank who are working to ensure that hungry people in our community get the support, assistance, and help they need.

We will recognize World Food Sunday on October 20, however, for the month of October, we invite you to bring in any food that is **not** expired and worth eating such as:

- Peanut butter
- Canned soup
- Canned fruit
- Canned vegetables
- Canned stew
- Canned fish
- Canned beans
- Pasta
- Rice
