## Mini Black Lambswool Duster

**Introducing** the miniature 15" black lambswool duster

The duster head is only 9" long making it ideal to get into tight spaces for fast and efficient dusting. This is the perfect duster for those delicate dusting jobs

Dusting heads are made from thick, premium genuine lambswool

Unscented and free of chemicals and sprayer polishes

Black color wool is best to hide the dust

Duster is small enough to fit into car's glove compartment

Great for delicate dusting and gets into small spaces

Excellent alternative to Ostrich feather dusters

Washable in warm soapy water
