Your eyebrows play a big role in the symmetry of your face. If they look good then you look good. However, if they are crooked, over tweezed, shaped incorrectly, too thin or shaped differently it can throw off the balance of your face. Brows create a face, we often forget about how important brows are. This workshop teaches you the skills and knowledge required for successful eyebrow styling, shaping and waxing. You will learn precise eyebrow mapping which will allow you to correctly measure brows to create the perfect shape time after time. In addition you will learn the application of RefectoCil Sensitive Tint which will allow you to offer a safe brow staining treatment. An alternative to Henna. In addition to the art of effective hair removal and the best methods when dealing with facial areas. This course provides the comprehensive theory and practical training required to be proficient and successful. This course covers topics such as anatomy of the hair, cycles of hair growth and most importantly the do's and don'ts of proper epilation. Practical training for eyebrows and other facial areas waxing with Depileve liquid, film hard wax will ensure your knowledge in various waxing techniques. A comparison of wax ingredients is part of this course. You will also learn proper salon and spa sanitation procedures in accordance with Health Canada.

LASHES & BROWS

EYELASH LIFT & BROW LAMINATION

Course Duration: 3 Hours, 9:00am - 12:00pm

\$435

Prerequisite: Any Certified Beauty Professional.

Model Requirements:

Day 1 Model @ 10:30am for Eyelash Lift & Brow Lamination

*Course includes:

-Training Manual and Professional Lash Lift Kit valued @ \$211

In this 3 hour workshop you will learn the proper technique of RefectoCil Lash Lift & Brow Lamination. Curled lashes not only open the eye, they appear larger due to the upward swing which makes them look more expressive and glamorous! Curled lashes give a youthful appearance which is excellent for mature clients or those who do not benefit from artificial lashes.

Laminating brows has an immediate effect on density and shape of the eyebrows. Lamination can perfectly fill gaps without the need of painful microblading and permanent make up. Eyelash lift and Eyebrow Lamination services are excellent additional revenue to existing eyelash and eyebrow services. The application is incredibly easy and the effect long lasting, up to six weeks.
