

The Roof Top Bar-DE-Q at Health on Twelfth

The Decade of DE-liciousness

Wow, that was one mild winter and while some of us have been grilling for a month or so it is time to start thinking about your outdoor visit from the **2016 Bar DE Que grill team** courtesy of your friends at **Davidson Enman Lumber**. If you are not familiar with our innovative customer appreciation and relationship team building promotion, here is a brief description. Our mobile Bar De Que unit arrives at your job site, field Operation, show home grand opening, sales office location or corporate headquarters. Upon performing a **Site Hazard Safety Analysis**, we break out the gourmet sausages, buns, fixings and non alcoholic beverages for all to enjoy. There are no special requirements; just tell us when, where and roughly how many guests we can expect and leave the rest to our experienced and friendly Bar DE Que Crew. This will certainly make your team building staff luncheon, customer appreciation, sales promotion, sub-trade appreciation day or special marketing event a huge success. If the weather still does not want to co-operate, that does not deter us or dampen our enthusiasm. This is our **10th Bar DE Que Season** and like any veteran, we arrive prepared for almost any situation that Mother Nature can deliver.

We started this project as a thank you to our customers and to have a bit of fun in the field, as it were, and judging from the response over the years... you like us... **YOU REALLY LIKE US**. Or more accurately, you like a grilled Spolumbo sausage in a fresh Italian roll with a heap of condiments. That is okay...so do we!

You can contact your friendly D&E Sales Representative for more detailed information or to book your occasion. You can also contact us by email at the BAR DE QUE Link found on our [website](#), under "What's Up" and schedule your Bar DE Que soon!
