*This competition is open to all club members. One chooses a partner, (forming "a team" for the season) to play every Thursday night "Open" means 2 men or 2 ladies or 1 man and 1 lady.*

*Teams will be set up in "flights" (typically a flight will be 6 or more teams) based on last year's final ranking with new teams entering in the bottom flight. After a round robin within each flight, teams will be reranked and may move up or down flights based on their record in the round robin. After reranking, a new round robin within each flight will be played followed by another reranking. In this way, you can expect your games generally be against teams of a similar skill level to your own.*

*A fee may be charged for this league at the start of competition in order to pay for a few prizes and an end of season party with food and drinks. Watch the bulletin board for a sign-up sheet and a more detailed explanation of the ranking system. League members are responsible for arranging their own spares should they be unable to play. Not arranging a spare will lead to forfeiture of the game and repeated occurrences may lead to disqualification from the league for up to 1 year at the discretion of the league convener.*

## **“GOOD SPORTSMANSHIP”**

1. **Begin each game with a friendly handshake, and end the game with the same. Be a gracious winner and a good loser.**

**You are a team member! Stay in the game!**

5. **Never openly criticize the condition of the green.**

**You must adjust your bowling to the conditions.**

6. **Never criticize a team member for a poorly played bowl.**
7. **Criticism should always be constructive and given privately**
8. **Be sure to compliment a good shot from either your team or an opponent.**

**“Nothing said about a poor shot is the best policy—especially if it gives your team the count!”**
