In addition, we will look at basic and advanced search strategies for internet search engines and databases, to help you find what you are looking for. If you would like to participate by Zoom, please contact the Library to receive the link. There will be a recording of the class as well here: <https://chinookarch.ca/services/fundamental-digital-literacy-skills-program>.

ATB Financial in Stavely is celebrating a 30th Birthday
April 11, 2021!!!

Karen Baker opened the Stavely ATB Financial location with a dream and a wicket built by her Dad thirty years ago!!! Supporting our community for the past 30 years is something we take seriously here and are very proud of.

Many changes have taken place over the 30 years including:

- A location change from the old Town Office to the building we are in now, which we share with the Town of Stavely administration staff.
- We have seen amazing advancements in our digitization over the past 30 years and are very busy working on many more changes yet to come!!!
- Mobile Banking
- We have created a Jr ATB program in the Stavely Elementary School
- We have changed our name to ATB Financial
- We have created a really cool office upstairs for privacy
- We offer all services from investing to lending, insurance and just plain old good advice.

We are well known, in Stavely, for our ability to celebrate so we have decided to celebrate for the whole month of April!!! Please stop in and say Hi!

happy 30th birthday!

We are so very thankful to this beautiful community and surrounding area for the support over the years!! We look forward to seeing you.
