Why choose us?

At Compass Child Care we believe that the early years of childhood are important and crucial to building a strong foundation.

It is this foundation where children can learn, explore, and create relationships.

At Compass Child Care we offer a secure, safe environment where every child can be encouraged and supported while they navigate through their developmental growth. Our curriculum incorporates all major areas of learning including:

- *social*
- *emotional*
- *motor skills*

We value that every child is unique and we pride ourselves in creating an inclusive environment for all.
