

Greetings Summerland Curling Club curlers:

At our May 26, 2024 Executive Meeting a motion was passed to rearrange the morning curling leagues to provide more options for women and men to play at the SCC. By staggering the men's leagues (Mon, Tues, Wed and Thurs) we hope to attract some nighttime curlers to the Senior men's leagues. Shifting our leagues around also means that women can now curl on Monday and Wednesday at the club, which was not possible last year. In fact these changes provide leagues for both men and women to play in every day of the work week (Monday to Friday) if you choose.

Following is a list of the changes:

1. Mixed league will move from Tuesday to Monday morning.
2. Senior Men will move from Monday and Wednesday to Tuesday and Thursday mornings.
3. The Ladies league will move from Thursday to Friday morning.
4. The Stick league will move from Friday to Wednesday morning.

Page 2 shows last year's leagues and the day they played and the new 2024/25 leagues.

Please note that the SCC is also offering a 10 game Sunday league this year, open to anyone that wants to sign up and play. The cost is \$110 for the 10 games.

Thank you for embracing these changes as we try to provide more flexibility for curlers at the club.

Sincerely,

Your SCC Executive
