

ST. JAMES FUND-RAISING CAMPAIGN

The congregation of St. James has embarked upon a fund-raising campaign in an effort to help us meet the costs of a number of repairs and the heat pump project.

The quoted costs are considerable. A full description of our effort can be had by emailing stone.johnandmary8@gmail.com. We would welcome any and all support from our fellow parishioners. Receipts for income tax purposes will be provided.

ST. GEORGE'S CENTENNIAL WINDOW

Donations are still being received to fund the window and its installation. All donors will receive a tax-deductible receipt, and anyone donating \$100 or more will be recognized on a plaque to be mounted adjacent to the window. Janet Champniss at:

champnissjanet1@gmail.com

Please note – This is not a memorial window. The plaque will recognize those who have donated to its cost to celebrate the centennial.

MISSION TO SEAFARERS' SHOEBOXES

At this time of year, we prepare shoeboxes containing a variety of items to be given to seafarers visiting our port at Christmas. Boxes are available at the back of each church with instructions for what is needed, and they can be returned there for pick up each Sunday. If you are unable to fill a box, how about donating some of the required items and/or cash and we will make up the box for you? For more information contact Janet Champniss at 902-826-2251 or champnissjanet1@gmail.com

PILL BOTTLES FOR MISSIONS

In many developing countries pills are dispensed either in your hand or wrapped in a scrap of paper — can you imagine how you'd feel if that happened on your next trip to the pharmacy? Sherry Richardson has a contact who is collecting pill bottles for Doctors Without Borders. So, rather than feeling guilty when you throw your empty pill bottles in the recycling, just remove all the labels, give them a wash (to remove any residue from your medication), and drop them off at any of our churches.

Sherry will forward them on, so they get a second life.
