

Property Team 2022 Annual Report

1. Fence fabricated and installed to protect labyrinth.
2. Outside storage shed dug out and crushed stone apron installed.
3. Repair to wall topping and stonework carried out and completed.
3. Outside doors sanded and primed.
4. Memorial garden sprinkler system overhauled due to damage.
5. Updates carried out on our existing sound system.
6. All permits renewed and posted as to code as provincial and city by laws state.
7. Heating system controls modified for more efficient operation.
8. All monthly tests carried out on the fire alarm system.
9. Water (sewer system) scoped to check efficiency and integrity of system.

Small and larger issues have been dealt with by the property committee as these issues have been identified and brought to attention. Shall endeavor to do so. As far as 2023 our list is already being compiled.

I hope that this report provides a reasonable insight into some of the accomplishments of the year.

*Respectfully submitted,
Peter Hopkins, Chair*
