

STIRRUP SOME FAMILY FUN!"

CIRCLE CREEK RANCH, HWY 5A, KAMLOOPS BC

THANK YOU

Supported by the Province of British Columbia

The KXA Board and the Provincial Winter Fair Committee extends a HUGE thank you and are thrilled to receive one of the 2023 **BC Fairs, Festivals and Events Grants** this year.

We are thrilled that people once again can enjoy local events with their families and friends; and are excited to invite the public to the fair grounds to enjoy some wholesome family fun!

The support of this program will provide our event with a brighter future as we look forward to celebrating our region's agriculture and the 4-H Program!

»SAVE THE DATE!» SEPTEMBER 20-23, 2024! FOR THE 86TH PROVINCIAL WINTER FAIR!

We look forward to celebrating Local Agriculture with everyone! See you in 2024 at Circle Creek Ranch!

Barbara Roden, Chair Thompson-Nicola Regional District

On behalf of the Board of Directors of the Thompson-Nicola Regional District, it gives me great pleasure to welcome competitors, their families, and guests to the 85th Provincial Winter Fair.

Ever since the BC Winter Fair moved to Kamloops in 1939, it has been a cornerstone of this region's long and rich history of agriculture. It continues to highlight the importance of the 4-H program, which remains at the heart of the Winter Fair and provides youth with many valuable opportunities to develop skills that will help them become the agriculture leaders of the future.

The Provincial Winter Fair offers so much more, however. The Grapes and Grill Wine Food Pairing returns, to showcase the variety of the region's produce, while the popular SuperDogs show will delight everyone with displays of agility and speed from man's best friend.

The Circle Creek Equestrian Centre is the perfect place for people to come out and enjoy some of the best that Kamloops and the surrounding region has to offer.

Good luck to all the competitors!

THANK YOU FOR YOUR TNRD PLATINUM SPONSORSHIP!

"Let's Stirrup Some Family Fun"

WELCOME FROM THE MAYOR

On behalf of my colleagues on Council and the citizens of Kamloops, it is my pleasure to extend a warm welcome to attending and participating folks to the 85th Provincial Winter Fair. This year's festival will be held September 22-24th, 2023 at the Circle Creek Equestrian Centre. A longstanding agricultural tradition, the PWF has operated in the Kamloops area since 1939, celebrating local agriculture and bringing together producers and consumers throughout the region.

As Canada's Tournament Capital, Kamloops is Canada's premier location for hosting events, tournaments, high-performance training camps, provincial, national and international competitions, and cultural events. The City of Kamloops is proud to continue this longtime tradition of hosting the Provincial Winter Fair.

Along with our fantastic climate, Kamloops has great hiking and biking trails, and numerous parks to enjoy the outdoors. Rivers Trail explores over 40 km of the Thompson River valleys. A unique blend of shops, boutiques, restaurants, bakeries, premiere coffee bars and old-world style delicatessens can be found throughout our City. Also consider a visit to Thompson Rivers University and to the Tournament Capital Centre.

We are proud of the warm hospitality we know you will find here in Kamloops, and we know you will have a great experience.

Yours truly,

Reid Hamer-Jackson Mayor

/cc

The Provincial Winter Fair Committee & the Kamloops Exhibition Association sincerely appreciates The City of Kamloops' 2023 Gold Sponsorship and Continued Support of the Fair and the Agricultural Community!

GREETINGS FROM THE GROUNDS

It is that time of year again - the leaves are changing, the mornings are cooling off, which must mean it is time for the 85th annual Provincial Winter Fair (PWF) in Kamloops.

We are fortunate to host our fair on the traditional lands of the Tk'emlúps te Secwépemc people at the Circle Creek Ranch & Equestrian Center in Kamloops BC.

Our year-end fair is always exciting as it marks the culmination of a year of hard work for all of our 4-H members with support of their families. This year, we will have exhibits displayed from Friday morning to Sunday evening including: beef, sheep, photography, poultry, and horse.

Please join us Sept 22nd—25th to support all of our 4-H & Open members who compete throughout the weekend for ribbons, prize money, banners and the coveted belt buckles.

The locally raised animals and photography projects will be available for purchase on Monday September 25th at 10:00 am. Please join us and bid on some great 4-H projects to hang on the wall or fill your freezer. Parade of Champions begins at 9:30am.

This year we are celebrating with the return of our 3rd Annual Grapes & Grill Local Beef, Sheep and Wine Pairing Event held on Saturday, September 23rd from 11:30am—4pm. And the fair is welcoming the renowned and highly entertaining dog agility show "SuperDogs" as seen at the PNE, Calgary Stampede and beyond! There will be 3 shows daily!

I would like to take a moment to recognize our sponsors and volunteers who generously donate funds, equipment, fuel, and time to help make our fair enjoyable and exciting for our members and quests.

The Provincial Winter Fair is part of the Buy BC Fair community, which celebrates nutritious meals grown from our very own backyard, while supporting local farmers and producers, communities and the environment at the same time.

We are excited to have the public back on the fairgrounds learning about the 4-H program, our members and their projects as well as our contributions to local agriculture.

Good Luck to everyone competing and we hope to see a supportive crowd at the 85th Annual Provincial Winter Fair!

Dána Levere Chairperson, Provincial Winter Fair Committee

GREETINGS FROM OTTAWA

The Provincial Winter Fair is a fantastic opportunity for young people to participate in agricultural traditions and to bring together producers and consumers.

Since 1939 the Fair has done an outstanding job keeping these traditions alive and creating a wonderful space for all residents to show their support for our farmers and agricultural producers.

This year it is exciting to see the return of the Grapes and Grill event and the addition of the SuperDogs demonstration – both sure to delight participants and visitors.

Thank you to the many organizers and volunteers who make this event happen, and best of luck to all the competitors!

Sincerely,

MP Frank Caputo

What is a Photography 4-H Project?

Photography members learn how to select, care for, and use a camera and to select film. They learn to take attractive, interesting photographs that show good composition, sharp detail and good use of light. 4-H photography offers four units and an area of advanced skills. Members may also choose to learn how to develop their own black and white photos and prepare slide shows.

develop their own black and white photos and prepare slide shows.

Photography is a way for you to show what you have seen and how it was seen by you. It is a way to document the places that you have been and what you have experienced.

4-H Photography teaches you how to express yourself through photographs. It also teaches you how to take a photo that is appealing to the public. The Provincial Winter Fair is a great place for us to learn what is appealing to the public and gain valuable information from it.

Through photography, members gain skills that they can use throughout life in many different arts, such as complementary colors and where the strong part of an image is. It also teaches them to take constructive criticism and learn from it.

4-H Photography is a great opportunity for kids that don't live on a farm to join 4-H so urban members can experience agriculture.

Learn To Do By Doing

PROVINCIAL WINTER FAIR - AIMS & OBJECTIVES

CANADA

The Kamloops Provincial Winter Fair (PWF) provides an opportunity to all our contributors who participate at our Fair to learn more about agriculture. The agriculture education of the public and our surrounding community is equally important to us.

PWF continually strives to encourage public agricultural awareness by providing quality market livestock for show and sale. This live auction promotes the sale of grain-fed livestock. Promoting the livestock sale as well as learning about the amount of time, feed and effort it takes to produce these animals is of the utmost importance. All of this is provided at PWF in an atmosphere which is educational, yet fun.

Each year, the PWF Committee's goal is to provide the public with new agricultural information through various displays. PWF does just that. Our main objective is to make the public aware of just how important agriculture is to our Community and our Country. Providing the public with tools to education themselves is what Provincial Winter Fair does best.

What is a Poultry 4-H Project?

In the Poultry project, members may raise chickens for egg and meat production; or they may raise ducks, geese or turkeys for meat or as breeding stock. Members may also take such projects as game bird raising or developing a waterfowl refuge. The purpose of this project is to give members an opportunity to learn basic principles of poultry raising, breeding, health, and management!

4-H OFFERS ALL TYPES OF PROJECTS!

☑ Animal Projects

Choose From: Beef, Cavy, Dairy, Dairy Goat, Dog, Honeybee, Horses, Llama, Poultry, Rabbit, Sheep. & Swine

☑ Creative Arts Projects

Choose From: Clothing (Sewing), Crafts, Foods (Cooking/Preservation etc.), Leathercraft, Outdoor Living, Photography & Woolcraft

☑ Mechanical Projects:

Choose From: Bicycle, Small Engines, & Tractor

☑ Personal Development:

Choose From: Adopt a Grandparent, Agriculture Awareness, Aquaculture, Environment, Junior Leader, Marketing, & Self -Determined

☑ Plant & Soil

Choose From: Agroforestry, Field Crops & Gardening "Big & Small"

As the MLAs for Kamloops-South Thompson and Kamloops-North Thompson, it is with great pleasure that we welcome all competitors, volunteers, entertainers, and fair goers, to the 85th Provincial Winter Fair here in beautiful Kamloops, BC.

This longstanding agricultural tradition continues to bring many people together and has highlighted the importance of our local farming and agricultural communities in the Kamloops region since 1939.

We wish you well this weekend and hope that you enjoy all the events, entertainment, and festivities. To all the competitors, good luck and to all the organizers and volunteers, thank you for all your hard work and dedication in bringing this years Provincial Winter Fair together. Have a safe and wonderful time.

Warm regards,

Todd Stone

September 2023

Dear Friends and Fellow Community Members,

It is with great excitement that I extend a heartfelt welcome to the 85th Provincial Winter Fair, an extraordinary milestone in our cherished agricultural tradition. From September 22nd to 24th, we gather at the Circle Creek Equestrian Centre in Kamloops to celebrate this longstanding event that has brought our region together since 1939.

The Provincial Winter Fair embodies the spirit of the Interior, joining producers and consumers, fostering connections, and highlighting the incredible contributions of our local agriculture. These fairs are more than just events, they are a cornerstone of our community, uniting all kinds of folks in a celebration of our heritage.

For 85 years, the Provincial Winter Fair has been a beacon of resilience, sustaining and evolving to meet the changing needs of the region. It continues to enrich our lives through its commitment to education, entertainment, and showcasing the best of what our region has to offer. Visiting the fair allows us to witness firsthand the remarkable support our community provides to the 4-H program and the exhibition of local agricultural industries, nurturing the growth of our future leaders and fostering appreciation for our heritage.

As we come together for this exciting occasion, let us reflect on the enduring legacy of the Provincial Winter Fair and the tremendous impact it has had on our community. Here's to 85 years of tradition, togetherness, and all the possibilities that lie ahead.

Sincerely

MLA Jackie Tegart

DID YOU KNOW?

- One year's growth of fleece is about 8 pounds of wool
- Sheep have an excellent sense of smell. They even have scent glands in front of their eyes and on their feet!
- Sheep are emotionally complex animals. Sheep are capable of experiencing a
 wide range of emotions, just as humans do. Many studies have highlighted the
 ability for sheep to feel afraid, angry, bored, sad and happy.

www.provincialwinterfair.com

BEEF SHOWMANSHIP

- Members are judged on the appearance of their animal and the manner they exhibit their animal in the ring
- Showmanship also exhibits the training of the members' 4-H project

Equipment needed is:

- A show halter- held with both hands while leading the animal- right hand on the shank with a firm grip to keep control; left hand holds the remainder of the lead strap, along with the show stick
- Show stick- is held in left hand while walking in ring; a tool to help set your beef animal up and to keep your animal relaxed while standing in the ring by scratching its belly
- Scotch Comb- is carried in your back pocket and used to comb up the hair on your animal after the judge has touched it and for grooming purposes
- Members enter the ring and circle in a clockwise direction at a brisk walk
- Showmen lead on the left side of the calf so the judge will have a full frontal view
- Keep the calf's head up at all times to display alertness but also makes the top line appear straighter
- Be courteous in the ring as a sign of sportsmanship- help get the animal ahead going, but members should ask
 before helping in case it kicks and leave enough space between animals so allow the judge to view the calves
 from every possible angle
- Once stopped, members must set up their animal with feet square under the body and stay in a straight line around the ring
- Members keep the calf content by gently scratching the belly with the show stick and scratching also keeps the top line straighter
- When the judge approaches the animal, the member moves giving the judge a full view at all times and must be ready to answer any questions about their animal
- If the judge touches the animal, the member will use their scotch comb and comb the hair in that particular area showing pride for your animal's appearance
- When lining up- members should leave enough room between animals so the judge has views from all angles
- If animals move while in line, members must maneuver their calf in a clockwise direction through their place in line (a figure 8)
- Members should never stop showing their animal- even if they're in last place

BEEF MARKET CLASS

- Steers are judged as if they are going to market today- the judge is looking for finish throughout- meaning fat cover evenly across the ribs, the top line and on the point of shoulder which is the last place to get covered
- Steers shouldn't be over finished because the excess fat is WASTE to the consumer and/or the buyer
- After finish the judge is basing his decision on confirmation- spring of rib, depth of body, muscling, well balanced (the front or the rump are no larger than one another)

2023: THE KAMLOOPS PROVINCIAL WINTER FAIR CELEBRATES 85 YEARS

THEN: The year was 1939 and WWII had just begun when word was received that the Army had taken the Pacific National Exhibition grounds in Vancouver over to serve as a base, thus forcing the cancellation of the British Columbia Winter Fair that had been held there annually for some years. This was a major concern to those who were preparing their cattle, sheep and swine for the show.

While stockmen were left wondering what to do, a group of people saw this as an opportunity to establish Kamloops as the livestock center of the province and steps were immediately taken to create a new show and sale in Kamloops. With the help of the BC Beef Cattle Growers Association (the forerunner of the BC Cattlemen's Association), the BC Sheep Breeders, the Interior Swine Producers, the Dept. of Agriculture, the Chamber of Commerce and the City of Kamloops, the idea started to take shape. Matt Hassen, well known Auctioneer, started out in search of the \$1200 needed for prize money. He went to the Vancouver Exhibition Association and asked for \$100 of the Federal money that had been allotted to the now cancelled BC Winter Fair and was, of course, refused. (This refusal likely had a long lasting helpful effect on the Kamloops endeavor because when the Vancouver Exhibition Association wrote the next year to the Interior asking to have the participants return, most remained loyal to the newly formed venture). Hassen approached the Provincial Government and received \$500. Business people in Vancouver and Kamloops were canvassed but the \$1200 goal was not reached.

The BC Beef Cattle Growers had previously planned renovations to the Bull Sale arena with grant money from the Federal Government and with this money the sales ring was improved, seating enlarged and a furnace installed, as this was taking place in December and the weather could be very cold.

The first "Annual Provincial Christmas Fat Stock Show and Sale" came into being on December 4, 1939 located at the Kamloops Stockyards. The Boys and Girls section, (which evolved by the late seventies into one of the major 4-H competitions in Canada), started with only a modest number of calves in that section. In fact there were fourteen calves in the Boys and Girls Section and Elmore McMorran of Harper Ranch was the winner. The Open cattle competition dominated the show and sale with 314 being sold of which 290 had been entered in the carload of 15 or group of 5 classes, while 24 were entered in the individual halter classes. The Swine show had an exhibition of 100 brood sows and 5 Yorkshire Boars with 176 market hogs being sold. An undisclosed number of sheep were sold with final figures indicating a total of 797 head of cattle, sheep and swine being marketed for a grand total of \$37,732.

#85thPWF

The Calf Scramble (the current Pioneer Event, named in honour of a different regional agricultural pioneer each year) had its origin in 1959 with the first one being held in an old airplane hangar across from the BC Beef Cattle Growers Yards. Those who caught a calf kept it for their project the following year with the calves being donated by area ranchers.

The event has evolved from chasing livestock around an arena into a practical obstacle course of ranching activities.

The Christmas Fat Stock Show & Sale changed its name in 1961, when it became the Provincial Winter Fair. The fair then moved locations in 1970 to the previous KXA Agriplex on Mount Paul Center.

NOW: Today, the fair occurs on a smaller scale, but with the same heart, enthusiastic and dedicated volunteers of the past. The fair is still a tradition for multi-generational families, however there are numerous newcomers. The livestock show is still the heart of the fair, but in the past we have expanded to include various other groups including craft and food vendors, as well the first annual Top Hand Ranch Competition in 2008. In 2016, we moved to the gorgeous grounds at Circle Creek Ranch in Kamloops. We are proud to offer highly entertaining family events and activities with musical entertainment.

In honour of our 80th Anniversary we showcased our region's local fare with a delectable wine pairing event—*Grapes & Grill & a Pioneer Tea.* The popular Grapes & Grill returns this year for its 3rd Annual Event on Saturday of the Fair—with local beef & sheep donated by Riverbend Orchard, The Brandon Family, Frolek Cattle Co, produce from Thistle Farms, and new this year—mini apple pies with a dessert wine pairing!

With our 85th Anniversary, we are celebrating with welcoming the highly anticipated "SuperDogs" dog agility event as seen at the PNE and Calgary Stampede!

We hope everyone can come out and experience history taking place by either exhibiting in the fair or just coming down to the fairgrounds! We appreciate the great support we get from our fair sponsors, livestock buyers and 4-H clubs throughout the Cariboo and the Thompson-Okanagan Valleys!!

PWF AWARDS & SCHOLARSHIP OPPORTUNITIES

The Levere Livestock Ewe Lamb:

Is an opportunity for a current 4-H Sheep Member to win a ewe lamb for next year's fair! The winner is determined by Total Aggregate Points & A panel Interview!

Bud Hallstrom Memorial Award

The Bud Hallstrom Memorial Award was created to provide post-secondary financial assistance to current 4-H members and 4-H alumni who are exhibiting projects at the Provincial Winter Fair.

Provincial Winter Fair Scholarship Award

The Provincial Winter Fair (PWF) Committee is pleased to announce an annual award in the amount of \$1000, thanks to the generosity of our sponsors and silent auction buyers. We are committed to presenting the award for the years (2022, 2023, and 2024), provided there are qualified applicants, and will reassess for future years based on sponsorship and the growth of the fund.

The Hickey Family Citizenship Award

Thanks to the generous support of the Hickey Family.

The Citizenship Award in the amount of \$250 will be awarded at the Provincial Winter Fair Sunday evening Banquet.

GREETINGS FROM THE FAIR KITCHEN... Some Recipe Ideas for Your Next Feast at Home

GIADA'S GRILLED LAMB CHOPS

Ingredients

- 2 cloves garlic, crushed
- 1 Tbsp fresh rosemary leaves
- 1 tsp fresh thyme leaves
- 1 pinch cayenne pepper
- Coarse sea salt
- 2 Tbsp extra-virgin olive oil
- 6 lamb chops, about 3/4-inch thich

Directions

- 1. In a food processor fitted with a metal blade add the garlic, rosemary, thyme, cayenne, and salt. Pulse until combined. Pour in olive oil and pulse into a paste. Rub the paste on both sides of the lamb chops and let them marinate for at least 1 hour in the refrigerator. Remove from refrigerator and allow the chops to come to room temperature; it will take about 20 minutes.
- 2. Heat a grill pan over high heat until almost smoking, add the chops and sear for about 2 minutes. Flip the chops over and cook for another 3 minutes for medium-rare and 3 1/2 minutes for medium.
