## Rental Guidelines & Information

### BOOKING DEPOSIT:

- A deposit of 50% of the total estimated rental costs is due at the time of booking the event. If the event is cancelled within 120 days, this deposit will be forfeited. However, arrangements may be made to have a portion of the deposit (that which remains after Theatre's expenses) credited toward a future booking. A damage deposit of \$500 is also required at the time of booking to secure the event date(s). The Damage Deposit is in addition to the Booking Deposit and may be retained in whole or in part by the Theatre for any damage or clean up exceeding normal wear and tear incurred during the term of rental.

### TICKETS:

- It is a requirement for clients to use our Box Office for ticket services if their event is ticketed. Ticket printing cannot be completed off site. We have now enabled Print at Home or E-Ticket options for patrons.

### LIQUOR:

- Alcoholic beverages are available for purchase by theatre patrons in the lobby. Our staff is trained in the provincial ProServe Training program for responsible alcohol service.
- Rental clients are **not permitted** to bring in alcoholic beverages from outside for an open bar service; however, Vic Juba Community Theatre can provide open bar service and charges will be applied to your final invoice.

### FRONT OF HOUSE

- Doors to the Audience Chamber open to the public 30 minutes prior to performance time unless otherwise arranged in advance. Any change will affect staff and volunteer schedules and must be made in advance.
- The Theatre's Front of House (FOH) Supervisor must review the emergency evacuation procedure with the theatre's volunteer ushers prior to opening doors to the public.
- All stage setup must be completed before the FOH Supervisor will be permitted to open the doors of the Audience Chamber to the public.
- There are 548 seats in the Vic Juba Community Theatre.
- Vic Juba Community Theatre arranges for all ushers, ticket-takers, bar & concession and coat check personnel. The number of personnel required will be determined by the Theatre to ensure appropriate Theatre service levels are maintained.
- If you choose to set up video cameras or adjudicators in the Audience Chamber, this will affect the number of seats available for the event.
- If your booking is for a convention, conference, presentation, graduation ceremony, multi-event booking and/or if we are one facility out of many facilities for your event, please attach a complete schedule or program of events.

### BACKSTAGE

- All performers are asked to enter through the stage door at the southwest corner of the building next to the loading dock overhead door.
- Once the Theatre's doors are open to the public it is recommended that there be no individuals on stage if the curtain is open.
- Vic Juba Community Theatre requires that all rental groups with young performers backstage have adult supervision. One adult per 15 youth.
- If there will be 50 or more individuals backstage, additional rooms should be rented.
- At the conclusion of large dance or community productions involving students, we would like to ensure that the theatre does not exceed our capacity or fire regulations. We would appreciate an announcement that parents wait for their children in the lobby areas rather than going backstage.

### STAGE SET-UP

- Please forward a stage plot / diagram indicating the location of stage equipment.
- Setup of the theatre's music or stage equipment will be completed during your booking time.

### TECHNICAL

- The number of personnel required will be determined by the Technical Director to ensure your event's technical needs are met. Unless otherwise arranged, we will use up to 3 technicians for your event. If you require follow-spot operators or load-in and/or load-out crew, the Technical Director will hire additional personnel at an additional charge. If you have any questions regarding your technical requirements, please contact our Technical Director at 780-872-7400, extension 249.
- Please take into consideration that your rental time will account for all time spent in the Theatre, including any necessary technical set-up (sound and lights) prior to your arrival, load-in, equipment setup, sound check, performance, load-out, and cleanup.
- Theatre staff are provided with a minimum of a 30-minute break within every 5 hours worked, as per Alberta Employment Standards.
- Note that all pyrotechnics require a licensed pyro-technician who must be approved by and work under the supervision of the Technical Director.
- Vic Juba Community Theatre does not allow open flames anywhere on the premises.

#### **END OF EVENT**

- Please remove all sets, costumes, instruments and lobby displays from the Theatre at the end of your booking.

- Any signs backstage should be put up with removable adhesive tape or placed on our bulletin boards backstage. All lobby signage must be placed on our portable signage boards or easels. **Any signage on the theatre walls or pillars is not permitted.** All signage must be removed during your booking time.
