Food Vendor Contract

May 25 & 26 2019

## Terms

The Food Vendor Sites are numbered and assigned on a first-paid-first-choice basis. The cost of a Food Vendor Site is \$99.00. Bring your own tables, chairs, and pop-up tent or food truck..

Food Vending hours are promptly 11am–4pm and you must sell seafood. Be prepared to provide at least 400 servings each day.

Vendors are responsible for their own Food Safe Permit and Hand Washing Station. Vehicles (except food trucks) are not permitted within the Festival area.

Vendors set their own food prices however the cost must not exceed \$8.00 per serving. To be fair, appetizer-size portions will encourage patrons to sample more food at different booths so that everyone can have a taste of everything.

The Lund Seafood Festival is a **zero-waste event**. A Recycle Station will be set up near the Food Vendors for seashells, paper products, and compost. While at this Festival, you agree to produce no garbage.

Vendors supply paper napkins and compostable plates/bowls if necessary. Finger-food is preferred but, if necessary, Vendors may provide compostable cutlery. Styrofoam, plastic, and other non-recyclable products are absolutely not permitted.
