INTEGRATION

Our IT Department is pleased to announce that the e-mail Integration unit of our information systems will soon provide the added convenience of receiving emailed copies of your; Orders, Invoices, Quotes, Accounts Receivable Statements and Reports directly from our terminals to yours. In fact, any document that can be printed via Windows Printing can also be saved as a PDF and emailed directly to your desktop. Contact your Sales Representative, Order Desk, Estimator, Designer or our Accounting Office Personnel if this feature is one that you would like to take advantage of. Faster, direct, easier and with less paper waste, we know many customers prefer to receive information by emails, rather than by Fax, and forwarding those documents within your organization is so much simpler. In addition, you could receive your copy of PROLINES through email, just contact our IT manager Richard Stewart: rstewart@delumber.com. The System should be in place and fully functional by the end of January.

CALENDARS

Once again the biggest and the best of all wall calendars have arrived to be distributed to the offices, shops, job trailers and other locations of our valued customers. See last years pictured here. This years' edition of the annual D&E Calendar, features the extra large size of 31" x 42". The large print makes it so easy to read and features a daily numbered countdown of the 2010 year. There is ample room provided to conveniently write down notes, deadlines or other important information on the monthly tear away sheets. The art work picture features a beautiful, western themed, Charles Marion Russell print entitled "Discovery of Last Chance Gulch Montana" If you are not on the list to receive our wall calendar, and would like to get in line, then get ONLINE for one of the extras. You can also have your company name placed on the delivery list for next year, see our Promotions page at www.delumber.com. Act fast Supplies are limited.

SEASONS GREETINGS

The owners, management and staff at Davidson Enman Lumber Ltd. would like to extend to all our valued customers and PROLINES readers, best wishes for this holiday season. In lieu of sending out Christmas Cards, donations are being made to several local registered charities that provide a positive influence on the quality of life and care, in the communities we live and work in.

DRIVING EXCELLENCE

In 1977 Davidson Enman Lumber Ltd. introduced a fault free, safe driving, material handling and safety awareness incentive plan for the operators of our fleet of delivery vehicles. It is very important that we have capable, safe and courteous drivers who operate fault free and keep our delivery fleet moving with a minimum of down time. In 2009, twelve of our driver/operators were able to meet the demanding standards of safe driving/operating and material handling excellence. The successful operators are; Calvin Closter, Larry Davis, Ken Scofield, and Dave Thomas from Cochrane Distribution; Chris Auger, Sean Hope, Gary Morgenroth, Paul Tripps from the Calgary Yard and from our Truss Division; Robert Scott. PROLINES would like to extend our congratulations and thanks to these valuable members of the Davidson Enman Logistics Team!
