## Mattress Recycling

Happy to announce PRWM Board has approved Mattress and Box Spring Recycling. Better Gone Mattress Recycling will service Castor and Coronation with 40ft Sea-cans. Halkirks Mattress will be transferred to the Castor site. PRWM will absorb the cost and there will be **No Charge** for the service, providing everyone keeps participating in the Green forward thinking. We will be asking you to place the box-spring/mattress into the sea-can in a proper manner to achieve the maximum number that can be placed inside. (est.100 pieces)

In the last year the mattress/ box spring count was:

**Halkirk - 30 Castor - 107 Coronation - 103**

### **Mattress Recycling Breakdown:**

Foam 26% Wood 5% Non-Recyclable 5% Polyester 6%  
Cotton 3% Felt 7% Metal 48%

The plan is to have the sea-cans on site in the next two weeks

What is recoverable?
