

Recreation

Stage 2 has arrived and that means no restrictions on indoor or outdoor sports! Our youngest ball teams will get a few games and a tournament or two in before finishing their season at the end of June. Our 15U, U16 and 18U teams will continue into August in a search for additional provincial banners.

Ball raffle ticket sales continue to go well with only 129 tickets left. Get yours before they are gone! Tickets are \$10 each and can be purchased online by visiting <https://forms.gle/4GL9ZqWAMBGvVLJM9>.

The deadline for ball fees has been extended to June 15th. Payments can be made via e-transfer to castorrec@townofcastor.ca, by cheque, cash, debit, or credit (fees apply) at the Town office.

With restrictions easing this means we will also be moving ahead with Camp Beaver Tail. We are expecting there to still be restrictions on summer camp and will provide more information to parents once we know if there are registration limits.

The arena will be open for rentals beginning June 14th. Rentals are \$30/hour and are open to families, small groups and/or birthday parties. Activities include basketball, pickleball, badminton, ball hockey, lacrosse and spikeball.

Hockey Registration is open until June 15th. All registrations are to be completed online via the Google Form that was emailed to parents. This form can also be found on the 3C's Minor Hockey Association Facebook page and website at www.3csmha.ca.

Metal Recycling

The Metal piles are being cleaned out and I want to give everyone a reminder to keep the following out of the metal pile:

- No Propane bottles of any kind (use designated area)
- No fencing, page wire etc (use the wire pile beside the metal piles)
- No wood
- No electric or battery appliances, tools, or lawn equipment in pile **EXCEPT** gas engines (lawn mowers, chainsaws, etc may be placed in metal pile. All electric/Battery equipment can be placed in cages provided for the E-Pilot Project)

Oil Jugs and Pail Collection

A reminder that PRWM **does not accept** oil of any type at any of the three sites. The oil can be taken to Local retailers that collect the oil in town. PRWML does not have the proper equipment to store or handle the oil. PRWM does accept the oil filters, empty oil jugs and empty 5 gallon pails with the **lids removed**. Oil filters go into the 45-gallon drum. The oil jugs and 5-gallon lids go into the black plastic bags on hangers inside the big chem shed on sites.

Grain Bag Collection

Castor Site will now accept rolled and tied grain bags at the site. Place them in the Northwest corner of the tire bunker (cement blocks closest to the gate)

Sort out your Loads and Place in Designated Locations
Remember to Tarp and Tie-Down Your Loads

PCALC

We are finally nearing summer (woohoo!) and our offices will be closed from June 25—August 22. We will continue to check messages and emails, so if you need anything, please reach out and we'll get back to you. We can book invigilations throughout the summer if needed.

Coming this fall, we will be providing **English Language classes** in both Coronation and Castor. Please look out for pre-registrations. If you know of an individual or family that would benefit from English language lessons, please refer them to us. We work with all levels of English!

Reminder

Have you paid your property taxes yet? Just a friendly reminder that property taxes are due **JULY 31, 2021**.

Running for Council

Do you love Castor? Do you have time to commit? Are you a team player? If you have ever thought of putting your name forward for council, it is an experience that is worth consideration.

If you have pride in your community and a desire to have a say in shaping its future then council may be the job for you. Council meets twice a month, plus committee assignments may require more meetings. It may seem like a lot but it is manageable for anyone.

Sitting on council is not always easy, but is certainly a rewarding and unique experience. If you are interested, have questions, or would like a council package sent to you, please email Christopher at christopher@townofcastor.ca.
