

## 65" Telescopic Duster with Replaceable Head

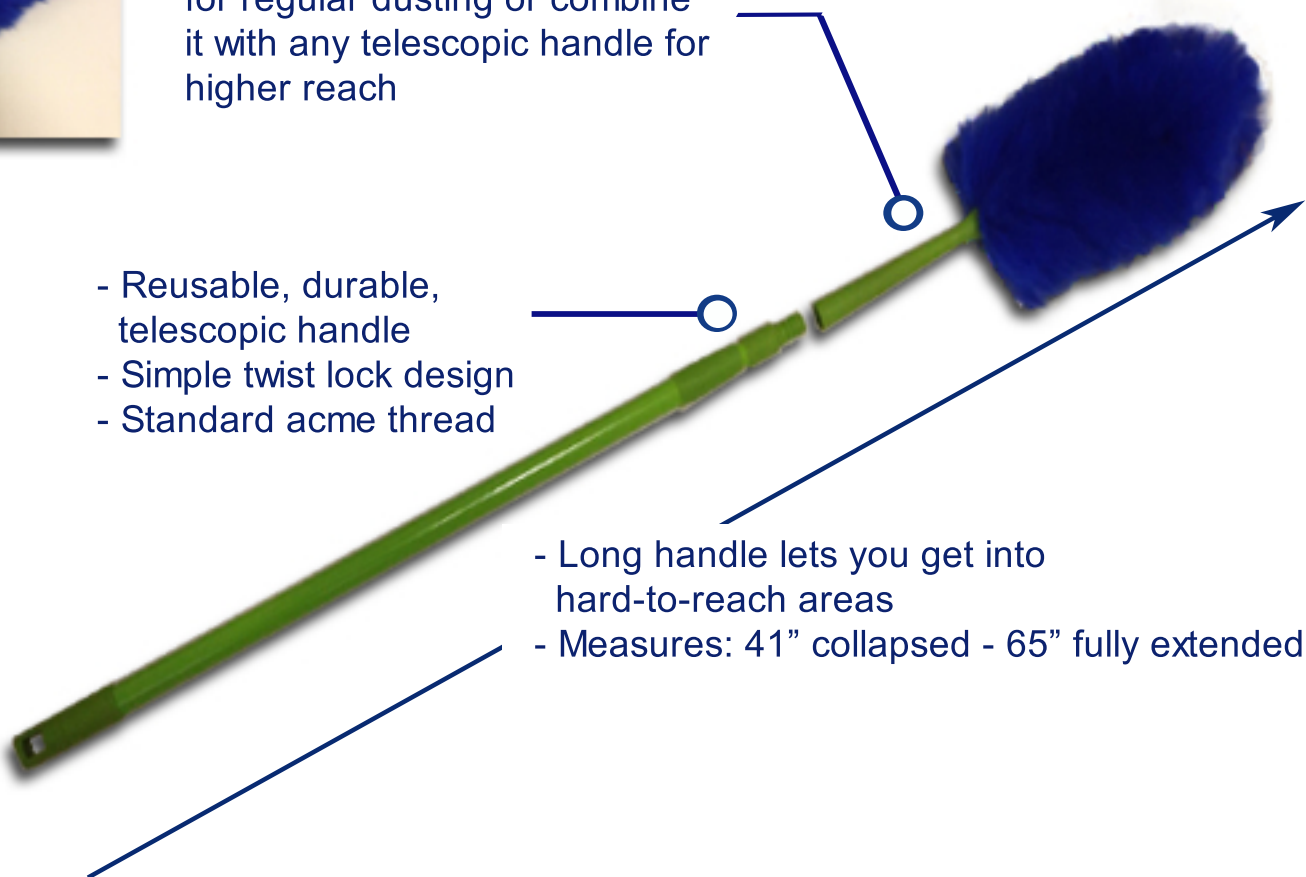

**Reduce waste: reuse** the durable locking telescopic handle

**Reduce costs:** re-order only the replaceable duster head when needed. Re-attach it back on to the handle and you are good to go. Fast and simple

- Ergonomically designed handle with universal acme thread adapter
- Use the duster head alone for regular dusting or combine it with any telescopic handle for higher reach

- Reusable, durable, telescopic handle
- Simple twist lock design
- Standard acme thread

- Long handle lets you get into hard-to-reach areas
- Measures: 41" collapsed - 65" fully extended
