

McCreary Community Pasture Manager

The Association of Manitoba Community Pastures is seeking to fill the Pasture Manager's position at the McCreary Community Pasture (McCreary area). The position is full-time seasonal from mid-March to mid-December every year.

Duties include managing the day to day operations of the community pasture and staff. This involves:

- Develop and follow an annual grazing plan.
- Knowledge of range management principles.
- Ensure that all infrastructure (fencing, corrals, etc) are maintained.
- Build relationships and communicate effectively with pasture patrons and the public.
- Effectively handle cattle from horseback, strong horsemanship skills, and animal husbandry knowledge.
- Work outside in all weather conditions including heat, cold, and rain.
- Demonstrated expertise in livestock watering systems.
- Undertake noxious weed and brush management controls.
- Possess basic computer skills and be familiar with MS Outlook, Word and Excel (or willing to learn).
- Maintain annual grazing reports, noxious weed reports, etc.
- Maintain strong financial records/reports (cash & livestock receipts, treatments and mineral tracking, expenses, etc).

A valid driver's licence is required. Must be willing to supply own horses and tack. Benefits include housing available for rent, an annual RRSP contribution and a health plan.
