Community Chest

The Castor and District Community Chest would like to inform our past supporters that due to the inability to actively canvass in private residences, we will be dissolving our charity. This saddens the many volunteers whom have given their time so freely. Over the past thirty years we have raised over half a million dollars for our eleven named charities. With that in mind, we will willingly give any charity address to enable the person to make a private donation.

Recreation News

Hockey is back! Games are limited to 100 spectators and each player is limited in how many spectators they can have at a game. If you wish to attend a game, please make sure to contact someone from the team you want to watch to see if they have any spectator spots available. Visit the town website at www.castor.ca for the full schedule of games.

Public Skating will be available when we have room in our schedule between games on the weekend. Keep an eye on the town website at www.castor.ca for upcoming Public Skating times.

The holidays are right around the corner. If you are looking for a non-profit organization to support this holiday season, consider supporting Castor Minor Sports by becoming a Friend of the Arena. Any individual or company who provides a donation of at least \$100 can become a Friend of the Arena and have their name added to the Sponsorship Wall. Contact Natasha at the email or phone number below for more information.

For more information on Recreation Programs please contact Natasha Bozek at castorrec@townofcastor.ca or 403-882-3225.
