PRESIDENT'S REPORT

Bill Sadler

Well, it is now November and the first thing that pops into my mind is Remembrance Day, November 11. This is the most important day for our association. It is the day for us to remember those who gave up their lives so we can enjoy the freedom we have. "We will remember them."

Our Remembrance Day committees have been very busy lining up the wreaths layers, the music, the sound system, the food, getting more chairs and of course making sure everything is clean and respectable.

Thank you to the committee for the hours you are putting in to make sure everything goes well for our three to four hundred guests.

On a sad note, our office administrator Lisa MacGillivray has resigned to go to a full time job with of course more money. Lisa you are being missed, but we all wish you the very best in your new ventures.

John Blair, our lotteries chair also resigned in October. John has had many years on the executive and if John had a job to do you could always count on

the job been done right. Thank you, John and thanks for being a friend and I agree with you. We need more time for our personal lives.

Our club has 817 members and elections are coming up. We need your help; your club needs a full executive. your executive has been putting in many volunteer hours to help keep your club running. With the lack of your support many of the executive are working two or three jobs thus taking away from our personal lives.

Ask yourselves "how I can help".

Next general meeting is Thursday November 21, 2024.

On a final note, there is still room on our plaque board. Have you been thinking about a plaque for someone you would like to remember or for your family or for yourself?? Just go to the bar and fill out a plaque slip with the wording you want and make your donation it is that simple.

Hope to see you at the club soon.

100th Anniversary of Armistice Tree stands on the corner of the Veterans Section. It is carved with three maple leaves, each one representing a branch of the Canadian Armed Forces, Fifty-eight poppies representing each a battle honour received by our forces during WW1 and a stack of Brodie helmets. It is an amazing sight to see in person, worth the visit.

Welcome to fall, Brother's and Sister's!

It's finally here, like it or not! The leaves are falling, the nights are colder, and fall is officially upon us! With that, motorcycle riding season is almost over. It's been a good year for riding, with the season extending late into October for us. One of the last group rides saw Randall Trenholm, Bryan MacGillivray and I running the backroads thru eastern Manitoba. We made lots of stops along the way and found that many of the seasonal businesses had already closed down. We had some members participate in the Breast Cancer Awareness Ride, including Robert Pigeau, Bryan and Lisa MacGillivray. Kudos to them for going out to support such a wonderful cause!

With fall, we're already making plans for this year's Adopt-A-Vet program at Deer Lodge. As in the past, we'll be working with 17 Wing Winnipeg to ensure that all the resident Veterans at Deer Lodge get their Christmas Wish lists filled! CVMS members will also be representing in Riverton at their Aboriginal Remembrance Day Ceremony, an event we have proudly participated in since our inception! Many of our members will also be present at our Unit 283 Remembrance Day Ceremony. We also have some donations to make this fall, in particular to Agape Table and Lighthouse Mission. We also expect to be making more donations in December. We're loving the support we're getting at our Tuesday night Meat Draws, it's a pleasure to see such a great turnout! TTFN.

WAYS AND MEANS

Bill Sadler

The Ways and Means portfolio consisting of Saturday afternoon meat draws, pastry table, 50/50, draws and hamper draws have continued to do very well with record sales.

October 15, 2024, meat draw sales were over \$2,500, pastry sales over \$200 and thanks to Shirley Lyon 50/50 sales were \$300. Wow, thanks all of you volunteers and ticket buyers.

The two Thanksgiving hampers also went that day showing a \$1,878.97 profit. Thanks must go out to all those ticket buyers and Barb's helpers who sold all those tickets.

And a special thanks goes out to the two young ladies who donated money towards the food in the baskets and the two turkeys that went with the basket. The winners were Shirley Lamm and Nancy,

Volunteers give yourselves a round of applause, without you a club like ours could not exist.

If you would like to volunteer, please let Barb or myself know.

PS. I would also thank everyone who bought tickets for the Thanksgiving Hamper.

I really appreciate your support. I will try not to make the basket quite so heavy next time.

Thank you very much.

ANAF 283 Super Craft & Vendor Sale

On Saturday, October 12, your Fundraising Group, under the direction of Barb Adams, held a very successful craft and bake sale. We want to thank all the crafters and vendors who attended. Also, a HUGE THANK YOU to all our unit's members, including the Over 55 & Retired group, and friends who donated to the craft table, the bake table, and those who donated their time to set up the room Friday evening, parking and unloading direction Saturday morning, and manning the Unit's tables during the sale. This ended up being a wonderful success. With the revenue from the donations at the door, the craft and baking tables, and table rental fees (\$2,288.50), we were able to raise the Fundraising Thermometer to \$10,685.76.

The collection of photos here represent just a few of the crafters and vendors who participated in this fund-raising event. For a full list participants, please visit the Unit's website www.anaf283.com. Their support is great appreciated.

CRIBBAGE

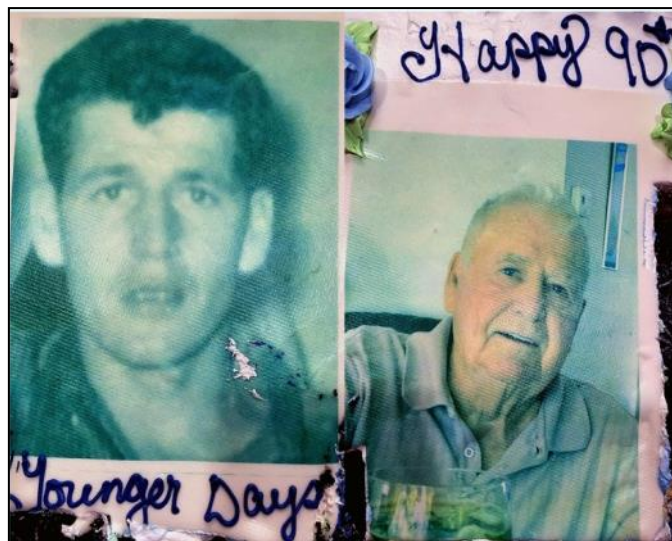

October was a busy month for cribbage. We started with a milestone birthday as one of our senior crib players turned 90. Congratulations to Fern Scanlon for reaching the "skunk line" in life! A surprise party was held for Fern at Assiniboine Golf Club and cribbage players were well-represented. Cake, of course, was part of the celebration. There were two cakes (see photo) each with his picture: the younger days "Rebel Without a Cause" Fern contrasting with the current "ancient" Fern.

October is also time to celebrate Thanksgiving. As part of this tradition, four lucky crib players won \$25.00 Food Fare gift certificates to help purchase their turkeys. The month ended with our crib night falling on Halloween, so we had some treats to go along with the "tricks" from our cards. Also, crib players were invited to wear a costume, with the best costume winning a prize. The winner will be revealed in the next newsletter.

We welcome all Anavets members to join us on Thursdays for an evening of friendship, fun, and a

chance to win some money. There are cash prizes for the top four winners, "24" hands, "28" hands, and of course the "29" pot (which is at \$800.00 and growing!).

HISTORY

The Army, Navy and Air Force Veterans in Canada is the oldest Veteran's Organization in the country. Established in Montreal in 1840 by a charter from the then young Queen Victoria, it was a Canadian counterpart to the long-established Army and Navy Veterans in Great Britain which, along with Militia Institutes and United Services Institutes, was vigorously supported by the celebrated Duke of Wellington.

The ANAVETS in Canada, as we know it, is a not-for-profit organization with 15,000 members in 67 units across Canada. It was created by an Act of Parliament in 1917, which was amended in 1946 to include RCAF Veterans. We have one unit in the USA called ANAVICUS (Army, Navy and Air Force Veterans in Canada United States); and one unit in Mexico called ANAVETS Mexico Unit #19 (located in Lake Chapala, Jalisco, Mexico).

ANAVETS UNIT 283: "THE FRIENDLY CLUB"

Our Unit is very active in all sports. We have a large participation, an excellent sports program and many in-house tournaments throughout the year. The Friendly Club welcomes all new people to join in the fun and comradeship and also look forward to seeing old familiar faces back again.

Assiniboia Unit 283 is one of seven Units under the ANAVETS Manitoba & Northwest Ontario Provincial Command and has been a part of the Kirkfield/Westwood, Assiniboia Crestview area since 1946. We are home to the Canadian Veterans in Manitoba & Supporters (CVMS) and the Canadian Association of Veterans in United Nations Peacekeeping (CAVUNP).

We aim to provide a safe and welcoming home away from home where members and guests can enjoy camaraderie and hopefully make lasting friendships.

SERVICE OFFICER

Donna Hartie

Here we are in November, when we should remember those who gave their lives so that we can be FREE. Don't forget the ones who are still fighting and bring peace and the many who suffer when and if they home and families who support them.

I have been asked to put pictures of those we want to Remember on Military Memorial Wall. A Relative, a friend bring me a picture and something about them and let us Remember.

Service Officer chair is looking for individuals to assist with this chair. We require individuals to work on Memorial Books and keep up dated. As well as individuals interested in helping with Services. If you are interested, please feel free to have a talk with me.

We are always looking for men and women to assist with the Colour party and attend the many events that we participate in. You can have a talk with Mike Ottenbreit if interested and myself for the other events.

Homeless Program - Veterans Affairs Canada (VAC) — www.veterns.gc.ca/homeless - if you or someone you know is homeless or at risk of becoming homeless and have served in the Canadian Armed Forces or the Royal Canadian Mounted Police, visit the web address listed or call 1-866-522-2122 for assistance.
