President's Report

Comrades

Well July is here, and the sun is shining. We hope everyone had a great long Weekend.

We have great news about our C-Can (storage shed). We have permission to put a proper foundation under it and repair what is needed. Everything is in place to begin this week.

If you have been to the Branch lately, you may have noticed a big pile of topsoil in the yard. Baxter's Lawn Care will do a top dressing and overseed the yard. Our Comrades, Andy and Isabel Anderson are doing a fine job of keeping the yard looking great. This top dressing will make it look even better.

There is lots happening at the Branch for July and August, so check the calendar for upcoming events.

We hope everything is well with everyone. Come on down to Branch 42 for a visit with friends and comrades.

Op Vetbuild

This is a new program which Branch 42 is trying to get underway for Veterans including RCMP and Allied Veterans along with their families as per the following two pages of information. This program is also open to first responders, firefighters and local police.

As per the second notice donations are accepted, be it supplies or a monetary donation. Under the Veteran category the supplies are supplied free of charge. As for first responders, firefighters and local police that is where monetary donations come into play. They cover the cost of their supplies.

Coffee, tea or soft drinks will be available at no cost to participants.

If anyone knows of someone who might find this program interesting please let them know.

We will be posting this on other communication media's.

Your help is needed to make this successful. If anyone has questions about the program, you can call us.

It looks like summer is here to stay. June was a great month. We had a big turnout for our meeting and dance.

...It was suggested, we have a Game Day in August with all games to be played indoors. Think about this, as we will discuss it at the July meeting.

Until July 21st, when we meet again. Enjoy the summer.
