June Meeting

The last meeting of the 2007-2008 year will be a social evening. Members are encouraged to bring their partners for an evening at **The Creek Restaurant** at 107 Robinson Street in Moncton, just south of Main Street.

We are featuring a complimentary Table d'Hôte menu, including:

- **Appetizer:**
 - Soup, Tossed Salad or Caesar Salad
- **Main Course:**
 - Cranberry Maple Salmon, Seafood Brochettes or Chicken Provolone
- **Dessert:**
 - Coconut Cream Pie, Apple Caramel Pie or Lemon Meringue Pie

The NB/PEI Chapter will cover the cost of the above menu. Individuals will be responsible for tax and gratuity, plus any bar bill.

DATE: Tuesday, June 10, 2008

AGENDA: 5:00- 6:00 pm: Social Hour

6:00 pm: Dinner

7:00 pm: Installation of 2008-2009 Board of Governors

Hope to see a good turn-out as we wrap up our year.

Executive Meeting Notice

The next executive meeting will be held on June 10, 3:30 pm at The Creek Restaurant.

Upcoming Summer Events

After the June meeting, our next event will be the Annual ASHRAE NB/PEI Chapter Golf Tournament on Thursday August 7, 2008. See page 3 for more information and the registration form. See you there!

We had an interesting variety of programs this year, which included:

September: Hydronic Cooling (26 in attendance)

October: Variable Speed Pumping (38 in attendance)

November: PolyCello Tour in Amherst (approximately 20)

December: BACnet (32 in attendance)

January: Efficiency NB (30 in attendance)

February: Air/Air Recovery (22 in attendance)

March: Humidification (17 in attendance)

April: Indoor Air Quality (42 in attendance)

May: MEET Show Seminars (~ 55 – 60 each day)

Many people visit our booth at the MEET Show, and 102 stopped long enough to sign our guest book. Seven new members were signed up for our chapter, and it looks as if the Halifax chapter has picked up a couple of new members themselves. We mailed five ball caps to the lucky winners of our business card draw. Thanks to all the folks from the Halifax chapter who helped us staff the booth during the show.

Hope you and your spouses are able to join us at the Creek Restaurant for a social evening to end the year. Remember, the Table d'Hôte is complimentary for everyone.

And a final reminder – get your registration in soon for the annual **Golf Tournament on Thursday, August 7, 2008**. It's always a sellout.

Sincerely,
Dwight Scott

ASHRAE Distinguished Lecturer Impresses MEET SHOW Audiences

The MEET 2008 Show on May 7 & 8 drew record crowds. Once again, our Chapter brought in an ASHRAE Distinguished Lecturer for two seminars. Tom Lawrence from the University of Georgia spoke on Wednesday morning on the topic, “The ASHRAE Green Guide.” Thursday morning, his topic was, “Mechanical Design for Green Buildings.” Both seminars were packed, and extra chairs had to be brought in.

In the first seminar, Dr. Lawrence presented an overview of the **ASHRAE Green Guide**, now in its 2nd edition, with a 3rd edition in the works. Not a standards, the guide is designed to assist designers using easy-to-understand language and many useful diagrams and charts. A notable feature of the guide is the inclusion of *37 Green Tips*, covering everything from building types to rainwater harvesting. The guide also stresses the importance of planning for continuous commissioning throughout the project, from preliminary design to final acceptance.

The seminar on **Mechanical Design for Green Buildings** covered the following in some detail:

- What is “green” and why do it?
- How HVAC systems affect being green
- Example technology areas for focus and current trends
- The proposed ASHRAE Standard 189.1

The Power Point presentations for both presentations are available for viewing on our Chapter web site at <http://www.ashraenbpei.com/>.
