

# **VERY IMPORTANT NOTICE**

## **3<sup>rd</sup> Party Solicitation**

---

**December 11, 2017**

**To all members and non members that have connected to the natural gas services within Nipissing Nation. ECDEV has been informed that there is a third party company “Ontario Energy Group/Board” and “Just Energy” that has been soliciting the members and non members by telephone to set up appointments to meet with the homeowner(s).**

**It is extremely important that you “do not sign any agreements or documents in relation to reducing or locking in rates”. Should they call or report to your home politely advise them that they are not welcome and/or that they are trespassing on First Nation land and to leave the area or that you will be contacting the local Anishinabek Police Services to have them escorted off the land.**

**Should you have any questions please contact Michael Harney or Tom Lambert ECDEV Manager/Officer at 705-753-2050.**
