It is a fun way to spend some time outdoors, enjoying the summer with friends.

No experience is needed in this league.

Games will be played on the Keith Snelling memorial field, which is at Linda Snelling's home. (6356 Oldfield Road).

If you have any questions send Trish Best an email. ([Trish.best@shaw.ca](mailto:Trish.best@shaw.ca))

## Food Security

Food security is an integral part of a persons life and wellbeing. Apart from physical health, stress related to food security can effect ones mental health. However, many Canadians struggle to afford safe and secure foods, largely due to rising costs of living. Multiple studies have shown that food insecurity can be greatly reduced by policies that improve the income of those at the bottom of the income spectrum. These include Public Old Age pensions and Canada Child Benefit,

**Risk of food insecurity for low-income, single adults drops by half for once they reach the age of 65 and become eligible for seniors' pensions.**
