Our January Community Collection is for Margaret Laurence House

This January, join us in collecting items for Welcome Kits for our families moving into Margaret Laurence House. Their single moms and their kids are generally coming to Margaret Laurence House from Transition Houses and starting from scratch, needing to buy all household goods (although they have a resource that can offer them furniture through the Women In Need Society).

With low incomes (most are on Income Assistance when they arrive), cleaning supplies are a luxury. The single moms will prioritize feeding their kids over buying these household necessities. Help with any of these items is a lovely gift for them.

Here is a list of some possible things to choose from that could be included:

- Cleaning fluids
- Cleaning cloths/brushes/sponges
- Broom/dustpan
- Some version of: mop/bucket or Swiffer and pads
- Garbage can/bags
- Doormat
- Flashlight
- First aid kit

We will be collecting these items for the month of January.
