## Paintearth Adult Learning

Spring is upon us and we are all eager for warmer weather. We have some exciting and informative classes coming up.

Check out our **What I Wish I Knew** Series on our website, [www.paintearthlearning.ca](http://www.paintearthlearning.ca) What do you wish you learned sooner? The next topic is **Purchasing Insurance** on March 23. Come for a tasty meal and learn all about insurance in this non-promotional info session.

**Where Did All My Money Go?** Basic money management for adults wanting to learn how to make more, save more and enjoy more. We will discuss budgeting, smart shopping, paying down loans, and credit. These classes are completely confidential, and any information shared will stay in the room. Sponsored by the Government of Alberta.

We have added a few programs since the brochure was printed:

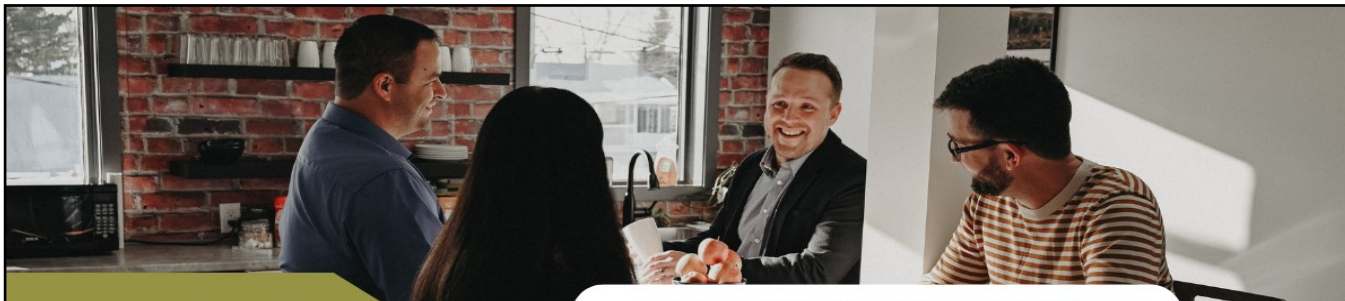

**CPR/AED First Aid** – To create awareness about heart disease, Red Cross Instructor Terry Christensen is teaching 2 classes of CPR/AED first aid. These classes are heavily discounted at \$65.00 (\$35 off the regular price). They will take place March 18 in Castor, and March 21 in Coronation, at Adult Learning offices. Most heart attacks happen at home to someone we love. Have peace of mind and confidence knowing you are certified, and could give a loved one the best chance of survival.

**Non-Restricted Firearms Safety** – April 22 More details to follow

**Greenhouse and Antique Shop Tour** – May 19 More details to follow
