

Fresh vegetables from your garden

Membership fee \$15 annually

Grow with us in the Silver Avenue plots or at home in your own space.

As a member of the society, garden space may be available for you to rent at the Silver Avenue Gardens on a first come first served basis.

Plots are \$30.00 annually plus \$15.00 for the **Basic Membership (above) totaling \$45.00.**

All garden rules can be found on our website
stjameshorticulturalsociety.ca

About Us

We are gardening enthusiasts both at home and in the community that meet monthly to discuss new topics and hear presentations by area experts from nurseries, grower associations and the horticultural industry.

St. James Horticultural Society –
Winnipeg, MB

Website:

stjameshorticulturalsociety.ca

Sign up for a SJHS newsletter and keep in touch with all of our activities as well as the member clubs of the Manitoba Horticultural Association. We are an affiliate member of the MHA and assist them in promoting and organizing horticultural activities in Manitoba. For more information email m.h.a@shaw.ca or view their website at <https://mbhorticulture.ca/>.

**ST. JAMES
HORTICULTURAL
SOCIETY**

*Gardening,
flower arranging
and horticultural activities
in St. James and area*

Whether you grow flowers, vegetables or both, there is something for everyone!

So, you have grown all of these great fruits, vegetables and flowers, so what is next?

Here is an idea. . .

Our exhibition showcases our members gardening and creative activities and others that also grow, sew or bake their own creations. The exhibition is at Crestview United Church, 316 Hamilton Avenue and is in the third week of August. For a small entry fee, you can compete for trophies, rosettes and cash prizes in many categories.

When you join the society, you are given an exhibition book of rules and categories and are encouraged to participate in the exhibition.

St. James Flower Arrangers

The FLOWER ARRANGING GROUP meets at 7:30 pm the first Wednesday in the months of September, October, November, December, February, March, April, May and June at the office of Adrian Skala, MLA. Every month the group features a hands-on demonstration of a new arrangement and techniques. This is followed by a workshop for all participants. This workshop completes the demonstration given the previous month.

To join this group please contact us by email at stjameshort@gmail.com.

“Get in touch by coming to a gardening meeting or by email.

We want to hear from you.”

“Get involved!

Volunteers are always needed for our meetings and events. Contact us for more details.”

Horticultural and gardening topics are featured on the third Tuesday of the month at 7:30 pm on the second floor of the STEVENSON-BRITANIA SCHOOL, located at 1777 Silver Avenue. Bring a friend and share in some new and some tried and true ideas for the coming gardening season.

See our website for details on scheduled programming.
