Early Childhood Learning Solicitation

Our goal is to raise \$150,000 CAD over the next 3 years to operate a safe and healthy place for early children of Entumbil Ghana to learn and play; so, they would become lifelong learners of tomorrow.

Started by a founder donated building and outdoor space in October 2021 with 11 children, over 80 children, aged 1 to 4, now benefit from access to teachers, materials, a garden, and playground.

The parents now pay for around 25% of the cost of operation and we seek charitable donations, recognized with a tax saving receipt, to provide the remaining \$30,000 needed annually for operating expenses. We are also seeking funding for a playground structure. Please spread your legacy here.

OSL is a registered Canadian Charity. *Donations can be made through these platforms:* CanadaHelps.org, CAGP-cpdp.org, ImagineCanada.ca, CharitableImpact.com, WillPower.ca, DonorPort.com, Benevitycauses.com and www.onesteplearning.org
