

RCMP Veterans' Association, Edmonton Division - June 2023 NEWSLETTER

Hi Everyone,

Yet again I lead with a story of a police officer killed while on duty this time in Ontario on May 11th. Sgt. Eric Mueller was killed responding to a report of a gunshot on Laval Street in Bourget, about 50 kilometres east of downtown Ottawa. The report from the news media said one Ontario Provincial

Police (OPP) officer was shot dead, and two others injured, in what police are calling an "ambush" in the eastern Ontario community of Bourget in the municipality of Clarence-Rockland early Thursday morning. The

officer who was killed has been identified as Sgt. Eric Mueller, according to OPP Commissioner Thomas Carrique. *"He is described by his colleagues as a coach and mentor,"* Carrique said at a news conference at the OPP Ottawa detachment that afternoon. *"Somebody that everybody looked up to. The glue that held his shift together."*

The mayor of Clarence-Rockland, Mario Zanth, said in an interview the community is trying to *"support itself and each other."* *"You're always shocked when it happens everywhere else, but when it happens at home, it definitely hits a little harder,"* Zanth said. Bourget is about 50 kilometres east of downtown Ottawa.

Let's all pray that sanity is restored, and these scentless deaths stop!

On May 18th, Robert Bacchus and I attended the Red Deer Division Luncheon. They had a nice crowd and we enjoyed getting together with old friends. I spoke briefly about Personal Directives and Power of Attorney and the fact should anyone have either or both of these, that it is mentioned in your Will. I also touched on the fact I would be representing them at the Ottawa AGM and will be discussing the concerned with the financial direction and liquidity of the Association to the point some Divisions are considering their future and whether it be with or without the Association.

This is the view of those attending the Red Deer Luncheon. I will mention a few starting with Marcel St. Louis, standing, L to R, Terry & Brent Baker, me, Rob Bacchus, Wayne Hutmacher, Doug Bottoms, Larry Pearson & Ed Kirkwood.

Here we have Rob & I, then Al McLeod & myself filling our plates and President Marcel St. Louis.

To the left we have, L to R, Lorna Clement, Larry Pearson, Ed & Linda Kirkwood and Helen Debruyckere. In the background is Norm & Audrey Lowe. It was an enjoyable luncheon and I promised I would be back.

On Saturday, the 27th March, three of our Veterans' helped Parkland Detachment (Spruce Grove/Stony Plain/Parkland County) with their RCMP 150 Celebrations. The picture to the right shows Cpl. Cuneyt Zambak from the Detachment with Paul Gagne, Trevor Ferguson and Ron Martineau. From what I heard, Trev Ferguson in his brown serge, boots and breeches, etc. was the "Hit of the day", not only by the people from the communities, but by the members of the Force who had never seen a brown serge before.

Below we have Trevor standing beside a picture he painted.

Also on display at the Detachment was this 1989 Ford Mustang which is used in the Y.I.E.L.D. (Youth Initiatives & Education in Lifestyles & Driving) Program operated by Veteran Gord Buck.

The Detachment also had one of the Force's helicopters on display along with this vintage 1990 Chev Caprice all decked out in authentic colours and equipment along with that 'vintage' Veteran Trevor. Cpl. Cuneyt Zambak said the event went very well; served just under 800 hot dogs and hamburgers and estimated over 1000 people showed up throughout the day. There were nothing but positive responses received from everyone who attended.

On Saturday, 10th June Veterans Eric Lafoy, Richard Bates and Dayle McKibbon helped the members from Beaumont Detachment with their RCMP 150 Celebration. Also in attendance was Kim Bechtold, the Gift Shop Manager, and her weekend assistant, Linda Plomp as noted here on the right. These ladies also attended the Parkland Detachment Celebration and from all reports, sales were brisk at both venues.

Every second Wednesday a group of Vets get together for breakfast in Stony Plain. This past Wednesday, 14th June, those in attendance were starting at the small table on the left: Brandt Murdoch, Fred Kamins, Tim Vatamaniuck, Cpl. Cuneyt Zambak from Parkland Detachment and Barb Stewart. Now the long table L to R: Bill Rivers covered by the waitress, Chaplain Cyril Gowler, Terry Renner, Ron Martineau, Rob Bacchus, Trevor Ferguson, Bruce Lloy, Ward Hoffman, Paul Gagne, Larry Wilson, Chaplain Don Schiemann, Bob Preston, Gord Buck, Doug Fulford, Grant Clark, Peter Fullbrandt, Dan Murchison, Gordon Greig, and Keith Hardy. Not in the picture, Ken Cherwinski and yours truly,

The interesting part of this gathering was that the Mayors of Stony Plain, Spruce Grove and Parkland County broached the gathering after learning why we were there, i.e. Vets just getting together for breakfast and a chinwag which happens every 2nd Wednesday of the month. We invited them to join us anytime. The three Mayors then paid for all the breakfasts!

RCMP Veterans Identification Card

Several members have asked me how to obtain an RCMP Veterans ID Card. All one has to do is send the information as noted below to the following Email Address:

RCMP.RetiredID-IDRetraite.GRC@rcmp-grc.gc.ca

When you send a message this is the response you will receive:

We really picked a bad generation to start a WW III... they can't even fight anxiety from being called by a wrong pronoun.

*** Please recognize this is an auto reply and disregard if you have already replied to the questions listed below.***

Thank you for your inquiry on how to receive an RCMP Record of Service Card.

If you have recently completed form 1733 "The Discharge Request" or have recently discharged/retired from the RCMP there is no further action required on your part.

Please Email a photo of yourself (head and shoulders) taken against a white backdrop.

As you know, Dianne Lehman and I attended the AGM in Ottawa. Dianne did a great deal of networking with fellow Advocates and sponsors to gain more knowledge, so she is better prepared to help our fellow Veterans and develop more value in our memberships.

In the May Newsletter I touched on the fact I was concerned about the Association's liquidity. After discussions with various people within the Association Board of Directors while in Ottawa I am still troubled, however, I was reassured the situation is not as dire as I had believed and in fact was told they are confident the Association will be in the black come year end without having to use any of the \$120,000.00 in the Association's reserve fund. So, as it says to the right, "Never Lose Hope."

On a brighter side, Ottawa Division did an exceptional job hosting this event. The email sent out by Ottawa Division on June 7th with all the pictures is much appreciated and if you haven't looked at those pictures yet, you should as undoubtedly you see a few people you know.

At the Regimental Dinner there were five Commissioners. Only Ottawa could pull something like that off. There were over 500 people at the Dinner. Of course, they didn't get pictures of everyone, so I have included a few as noted below.

Chaplains Corner

As result of the recent deaths of police officers which caused an inquiry by one of our Vet Members, our Chaplain, Cyril Gowler, advises should any Veteran experience difficulty with PTSD / OSI and wish to talk with someone, he is available should they wish to talk with him. Please note one may think seeing the word "Chaplain" you may immediately think "religion." Cyril wants people to know it's always about their personal challenges and he would NOT be responding to them with the motive of "preaching" at them.

If they understand this reality he can easily approach them if they contact him.

Cyril has an extensive network, so he is able to direct people to resources or handle their challenges "in-house" himself or whatever they choose.

As time goes on we hope to add people to the help list, especially female chaplains so they are offering equal opportunities. Cyril's contact information is as follows.

On the left we have that old guy beside Dianne Lehman and below is how I feel about our country.

Not too sure, if ever, have we had five Commissioners together at a Regimental Dinner. From the oldest to present day, here we have Commissioners Norman Inkster, Philip Murray, Giuliano (Zack) Zaccardelli, Brenda Lucki and our current Commissioner, Mike Duheme

At the May 30th Dinner Meeting, Bob Bilodeau made a presentation to Gary Olshewski and Judith Rector on their recent marriage presenting them with a bouquet of flowers. The happy couple were recently married on the 4th April, 2023. Gary gave a short reply of Thanks. Newlyweds at their ages is quite special and we wish them many years of wedded bliss.

Here I am standing at the Beechwood Cemetery in Ottawa. Pictures I have seen of the cemetery before do not do it justice; it is beautiful!

CO's Message

It's official - with the arrival of June, summer is finally here. This June will be a time of celebration and reflection for the Alberta RCMP. June marks Pride Month, Indigenous History Month, and the first month of the year where many of our detachments can get outside to commemorate RCMP 150.

Over the summer, our employees, myself included, will be participating in events across the province. We will be attending local festivals and fairs, parades, pride events, Indigenous gatherings, and the Calgary Stampede.

I hope that as the wildfires across the province begin to recede so our members will be able to take some much-deserved time to partake in community celebrations and enjoy the season.

Wildfires

This past May was one of the harshest wildfire seasons in our province's history. Communities across Alberta felt the impact as fires moved across the province; thousands of Albertans had to be evacuated to safety, many having lost their homes. Throughout it all, employees of the Alberta RCMP were there.

Members from across the province stepped up to help keep the people of Alberta safe during such trying times. We assisted in evacuations efforts by helping communities relocate safely. Our members responded to emergencies, helping rescue people (and pets) who were stuck in difficult situations. As the communities evacuated, many of our members remained behind to ensure the safety of public

property and to ensure that those who were unable to evacuate were safe. Even now with the state of emergency lifted, there is still much to be done. We remain in the communities that were evacuated and have allocated resources to help in the communities that have welcomed evacuees.

I want to thank the members across the division, and those who came from across the country, for their tireless work. The size of these wildfires was unprecedented, but our members rose to the challenge every day. I cannot express how proud I am of the work they have done, and continue to do, to ensure the safety and well-being of the communities they serve.

Pride Month

Countries across the world recognize the importance of pride month and use it as an opportunity to celebrate and commemorate the diverse people who make up the 2SLGBTQQIA+ community. While celebrating is wonderful, it's important to remember the origins of Pride Month. It didn't start as a celebration, it started as a protest in June 1969 against laws based in hatred and intolerance.

Since then, laws have changed, and society is more accepting, but we must remain vigilant. However, in recent years, we have seen an uptick in violent and hateful rhetoric towards the 2SLGBTQQIA+ community.

The Alberta RCMP is committed to ensuring all Albertans are free to be their true self, and we will stand against hatred in all its forms. It is our duty to serve and protect all Albertans.

This June, we proudly raise the Rainbow Flag at K Division Headquarters in support of all 2SLGBTQQIA+ communities across our province. To our 2SLGBTQQIA+ communities and RCMP employees, we proudly welcome, support and celebrate you as allies and friends.

Indigenous History Month

Along with being Pride Month, June is Indigenous History Month - a time to recognize and honour the experiences, cultures, languages and traditions of First Nations, Inuit and Metis Peoples in Canada. The Alberta RCMP remains committed to giving these communities a voice by celebrating their incredible achievements and contributions across our country and province. We are honoured to be welcomed into Indigenous communities, and we are proud to serve them every day.

In the coming months, we will be participating in events with our Indigenous partners across the province.

This past month, the Lac La Biche Detachment, which is located within Treaty 6 Territory, home to the Heart Lake First Nation, Beaver Lake Cree Nation and Kikino Metis settlement, placed a tipi next to their local detachment as a sign of support, solidarity, and reconciliation. The tipi was erected with the help of members, local Elders, and community members.

We know there is still much more to be done, but we greatly appreciate the guidance and support of our Indigenous Elders and look towards the future with optimism.

RCMP 150

May 23, 2023, marked the 150th anniversary of the RCMP in Canada. This is a major milestone in the RCMP's history. This anniversary is an opportunity to acknowledge our storied past, emphasize our commitment to, and pride in, all RCMP employees, and walk with humility and in reconciliation as the organization moves forward to a more diverse, inclusive, and trusted RCMP.

From its beginnings as a small cavalry policing Canada's frontier, to a growing organization of employees leading the way in modern policing, one thing has remained constant, the RCMP's commitment to upholding the safety of those it serves. RCMP 150 highlights a history molded through the relentless dedication of thousands of Canadians in service to their country and the communities in which they live.

The Alberta RCMP has the privilege of providing policing services in urban and rural municipalities, First Nations and Metis settlements, and remote areas across the province. Whether it be civilian employees working in units throughout the organization, special tactical teams in the field, or the officers and employees living and working in your communities, the RCMP upholds the safety of Albertans, and will

continue to do so in the many years to come. This summer our members and employees will be participating in community events to celebrate RCMP 150. Detachments across the province are organizing outreach and engagement opportunities to connect with the people they serve and celebrate the relationships we've built over the past 150 years. We are excited to welcome the RCMP Musical Ride, which will be touring across Alberta throughout June and July.

As always, take care, stay safe, and I hope to see you at some of the events, this summer!
