Step 1: Choose Your Products

Toner Essence (for dull and patchy skin) – A lightweight essence, packed with 8 fruit extracts and alpha hydroxy acids. Pat gently onto skin post-cleanse and pre-moisturizer/oils. Combats the visible signs of dullness and scaliness.

Niacinamide 5% Serum + Matrixyl Synthe 6 – A lightweight serum, loaded with 5% niacinamide and Matrixyl Synthe 6 – a powerful anti-wrinkle peptide to help with repair and soothing

Hyaluronic Acid + B5 (for hydration and moisture) – A super surge of moisture. This viscous, yet light applying gel serum contains 2% HA and Panthenol (Vitamin B5) to restore moisturization to the skin. Pat Gently onto skin post-cleanse.

Vitamin C 2% + Brightening – A brightening 2% Vitamin C Serum + Kakadu Plum Extract at active levels, which aids in Free radical scavenger due to high vitamin C and polyphenol contents.

AM Protection and Repair Serum with Matrixyl 3000 – A super-charged Day-time serum to help protect and repair from the effects of Blue Light pollution. Matrixyl 3000 is a tried and true anti-wrinkle and repair complex which helps to re-build the skin by stimulating the skin's collagen repair mechanisms which improve overall skin elasticity, firmness, and texture.

Option 1: White Paper Label
Option 2: Clear Plastic Label

Artwork must be submitted with a high resolution PDF
And/or .ai format

FAQ:

Q: How does your private label program work?

A: We have the most flexible private label program in the industry with the lowest possible MOQs. Our customers have the option to choose our standard containers OR to supply their own chosen containers even at low order quantities

Q: What is the MOQ (minimum order qty)?

A: For our private label products, our MOQ is 250pc

Q: How can I customize my product and differentiate myself from others who also purchase your private label products?

A: The sky's the limit! Customers have the option to supply their own containers, labels, cartons and even add on any additional assembly services that they need* (extra charges may apply) For those who would like to choose Clamar's standard containers, customers will provide their own artwork on either a solid label, or clear labels.

Q: Can I customize the standard formulations?

A: Yes! Please contact us for details

Q: I need a fully customized product. Can Clamar help?

A: Yes! Please contact us for details

Q: What other products can you private label?

A: Clamar has thousands of in-house formulations for colour cosmetics, skin care, body care, pet care and hair care products. We may have standard formulations, please contact us with your inquiries!

Discover the most flexible
Private/White Label program in the
industry.

Fully customizable to meet your needs!
