OVERWEIGHT / OVERSIZE LOAD PERMIT

Date of Request (/ /)

Permission is granted to _____

to move (what?) _____

Description of (height) _____ (width) _____ (length) _____ (weight) _____

From(where): _____ To: _____

on _____ over roads in the Twin Falls Highway District.

(date)

List Route to be used:

It is understood that all safety measures required by the Idaho Transportation Department will be observed. The Twin Falls Highway District will not assume responsibility as to the load limit safety of culverts and bridges and will not state the load limits of unmarked culverts or bridges. Any person receiving this permit and signing the same assumes responsibility for any damage incurred through any cause to any highway, bridge or other property, such as damage to oiled roads and will be liable for cost or repair to them.

The permit holder will take precautions to insure the safety of the traveling public and assumes any responsibility for any damage incurred through neglect on his part.

NOTE: Oversized loads must be moved during daylight hours and moving will not take place on holiday weekends or when the weather is hazardous. Any load exceeding twelve (12) feet in width must be accompanied by two pilot cars.
