

Recreation

A HUGE thank you to Coach Landon and Coach Cooper for the amazing job they did working with the participants of our Ball Hockey Program!

Camp Beaver Tail is now accepting registrations through the Rec Office, or you can go to our Facebook page and register online. Weekly registration is available as well as daily. We are welcoming back two familiar faces: Miranda Peterson and Erika Blumhagen this summer. Joining the team is Parker Slemph and Josie Kneller. Campers will enjoy sports, hands on activities, swimming, and so much more when they attend camp.

Swimming lesson registration is still open and accepting participants. Call the pool at (403) 882-3020 for details on any of the programs or swim times that are offered.

Who wants to play soccer? Our fall soccer program is in the planning stages, with some fun new twists this year. We will have more information on registration and what the plans are at the beginning of July. Get in touch with Tara if you have any questions or would like to be part of our volunteer team.

Please email Tara at castorrec@townofcastor.ca or call the office (403)882-3225 if you have any questions.

Hazardous Household Roundup – Thank You

We had another successful hazardous roundup this year and want to give a big thank you to the Fire Departments of Halkirk, Castor and Coronation. We wouldn't have successful roundups without their continued support year after year. Thank you very much.

Silage Plastic & Bale Wrap – Pilot Project

Coronation has been selected to start the pilot project and with its success we can hopefully also include Castor soon. We have the compact machines on site and inside the big shed now. Please note, the silage plastic needs to be folded into 4x4 squares, as they need to be handled by hand on our end and the processors. Please look at clean farms website <https://cleanfarms.ca/> for folding instructions or ask the attendant for help.
