Please share with your members that sheep exhibitors are eligible to win the Levere Livestock Lamb at the PWF this year.

AWARD INFORMATION:

- This award goes to a member currently exhibiting a 4-H sheep project at this year's fair
- The winner is determined by a combination of aggregate points and a panel interview (during the PWF)
- The panel interview is where member answers questions of “why they should win the lamb and what is their plan for the lamb”.
- The lamb will be a ewe lamb born in 2025
- Ewe Lamb Must be exhibited as a 4-H female project for the ensuing three years (unless the member ages out, in which case it must be shown open).
- A member can only win this award once.

Thank you again to Dána and Randy Levere at Levere Livestock for this generous donation! At least one of these ewe projects has gone on to be the Supreme Champion Ewe at the PWF!
