

JOB POSTING:

Software Developer/IT Support

J.O. Thomas and Associates Ltd. – Vancouver, BC

J.O. Thomas and Associates Ltd. is a Vancouver-based consulting firm providing professional and technical fisheries-related services.

Job Title:

Software Developer/IT Support

Job Description:

The IT Support position will be responsible for the overall operation of the company's IT hardware and software infrastructure and will be a skilled and experienced person who can maintain legacy systems in Windows. This position will also be involved in planning, developing, implementing, and evaluating IT projects and policies, ensuring compliance with security standards and best practices. To be successful in this role, candidates will need to have a strong background in IT management, with experience in network administration, system maintenance, database administration, software programming, troubleshooting, and user support. Candidates will also need to have excellent communication, and problem-solving skills, as well as the ability to work well under pressure and prioritize tasks.

Terms of Employment:

- Full-time
- Monday to Friday, 0800 to 1600 office hours

Salary:

- \$70,000 to \$80,000 per year with opportunities for advancement

Location:

J.O. Thomas & Associates, Vancouver, BC.

Education:

- Bachelor's degree in computer science or equivalent (required)

Essential Skills:

- Please complete the following pages and include in application.

HOW TO APPLY

To apply, please submit a **cover letter**, **resume**, and **completed form** via email to Sylvia Chow, Managing Director, **chows [at] jothomas.com**. Shortlisted candidates will be notified.
