ON YOUR CLEANING DAY

- Routine cleanings minimum hours are 4 or more hours long depending on what your home needs. You will be given an approximate time of your cleaning via email, over the phone or by text message before the actual cleaning. However, several factors can affect our schedules, such as unexpected cancellations, lockouts, and clients adding services, road conditions and inclement weather (we do not work during bad weather. If we will be taking longer than 30 minutes to arrive at your scheduled appointment, you can expect a text with our estimated time of arrival.
- All homes must have adequate utilities to perform necessary cleaning services.
- For the safety and well being of your pet(s) and our staff members we do ask that they be away from the area where the staff is cleaning if they are aggressive or frighten easily.

- **CANCELLATIONS**

We understand that sometimes "things" happen, but should you need to cancel, please notify us at least 24 hours in advance whenever possible.

There is a lockout fee of that days cleaning if we arrive at your home on the scheduled cleaning day and are not able to service your home.
