

All worship capacity/spacing limits have been currently lifted; however, because of the modest size of our church buildings, and the continued spread of Covid in our community, **face masks will still be required at all services in the Parish**, for the time being.

Our parish needs more servers (both young and old). If you are interested please contact Reverend Brianna. Training is provided.

Mothers' Union Prayer of the Week

Dear Lord, who in your earthly life knew a mother's care,
Give to all mothers your blessing. Give wisdom to guide,
Tolerance to understand and love to enfold
Those you have entrusted to their care.
We ask for all mothers, everywhere.
L.E. Hellier (Anthology of Public Prayer)

Mealttime Prayer

God, we thank you for preparing this table and food before us that we may be strengthened in faith and service to others through Christ Jesus, our shepherd. Amen

HELP St. George's ACW Needs New Members

St. George's Anglican Church Women are concerned. It is becoming more difficult as our membership ages and decreases in numbers. In fact, we have dwindled now to only a few. We are in dire need of new members. Over the years St. George's ACW has supported our church through fundraising, mainly holding church suppers. Many of you have lent your assistance in the past and we have always been appreciative of your help. We are in need of your help now. We need new members, who would bring new ideas and energy to our group. Without an increase of ACW membership it is doubtful we will be able to sustain our work and support St. George's Church as we have been able to do in the past. The time and effort you devote to our group will be negligible compared to the satisfaction you will get knowing your efforts have helped so much. We know you can help. We can only hope you will. Please join us at our very next meeting. Contact 826-1411
