2021-2022 Membership Promotion Virtual Centralized Training

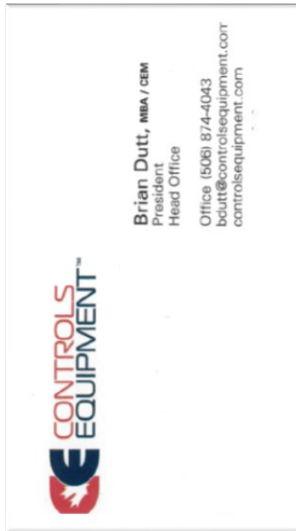

Friday, June 18, 2021, 3 pm – 5 pm Eastern Time & Friday, June 25, 2021, 3 pm – 5 pm Eastern Time

This message is being shared with current and 2021-2022 Chapter Presidents, President Elects and Membership Promotion Chairs and CoChairs. This training is for the MP Chair that is going to serve for 2021-2022 Society year. MP Co-Chairs and MP Chapter Committee Members are also highly encouraged to attend, so feel free to share!

As you know, the Annual Meeting that was to take place in Phoenix, Arizona is being replaced with a virtual meeting. Since travel restrictions and social distancing are still in place, we will also host a virtual Centralized Training for MP Chairs over a 2-day period.

This Centralized Training is open to ALL MP Chairs, Co-Chairs, and Chapter MP Committee members. However, we will host another virtual Centralized Training with times that might be easier for Region AL, XIII, and XIV to attend. More information about that one will be sent out shortly as it has not been scheduled yet.

After attending Centralized Training, you will be fully equipped and ready for a new exciting membership year. You will know how to quickly and efficiently complete membership campaigns, monthly tasks, automate communications, locate resources, and so much more. We give you the tools necessary to tackle the big important membership challenges of your chapter. These training sessions are for both new and returning MP Chairs. Attendance is highly encouraged!!
