Red Phone Booth Little Free Library- Many people in the community are aware of the beautiful phone booth hosting free Library Books. This privately owned booth, allows people to take a book, and leave a book. If you would like to donate books, please box them and place in front of the Stavelly Public Library (Northeast entrance) of the Stavelly School, rather than leave them at this booth. This way it will not inconvenience the owner; and allows volunteers to either sort the books out for use in the library, use in our free library, or send to schools in Belize, who desperately need them.
