

## ST PAUL'S LAND

As our project for the land at St Paul's progresses, there has been interest from the Parish for the opportunity to walk the trail. It is a beautiful and very interesting site. The trail is still being developed- but navigable for hardy hikers! The distance is about 1 km to the lovely Brine Lake.

Weather permitting, a hike is proposed next Sunday, June 26<sup>th</sup>, at 10.30 am (following the 9 am service at St Paul's). All are welcome, wear good shoes and appropriate attire. There will be ticks (like most green spaces in NS these days!), so bring repellent or wear repellent clothing.

If you can't make that day, Ray is always willing to arrange other visits to the land for those interested.

There is also some **HELP NEEDED** to clear some trees etc. that have fallen over the winter, and we're looking for volunteers for a small working party. In particular we need a couple of willing and able guys with a chain saw for about two hours. Please contact **Ray Mattholie**- 902 719 6844, [raymattholie@gmail.com](mailto:raymattholie@gmail.com)

## COMMUNITY ROOTS DAY CAMP

Mark your calendars and tell your friends, our Diocesan day camp program is coming to our community **July 11th - 15th**. Similar to what you might have called Vacation Bible School in the past, this program utilizes community resources to create faith-based programming, inviting young people to explore in active and creative ways. Registration is now open for both campers and volunteers. The number of volunteers we will need depends on the number of participants who register. The links to register follow and there are also files attached if you wish to print them off and fill them out. Please pass along this notice to families in our area.

## MEALTIME PRAYER

Be present at our table, Lord. Be here and everywhere adored. These mercies bless and grant that we may feast in paradise with thee. Amen.
