# Welcome to Festival 2016

## Greetings from the Festival 2016 Organizing Committee

They say it takes a village to raise a child – well it takes a whole community to host a Theatre Festival – and a dedicated, tireless committee of volunteers. I want to thank everyone who has played a role in making this event a reality, especially my right hand assistant Sue Robinson. At least a dozen sub-committees have been hard at work over the last 15 months, and when you add in the hours put into the productions that will travel here – this is a very labour intensive week. But for all of us it is a labour of love. And what a wonderful week we have in store. Five fabulous shows with Encore Receptions following each night, daily adjudications, and four afternoon workshops open to the public. Lots of opportunities to be entertained, participate, socialize and learn! And please take note of the local merchants and services who have supported us when you head out to dine and shop. It is especially wonderful to host Festival the year we celebrate the 70th anniversary of Theatre in Woodstock!

*Bonnie Hartley – Chair*

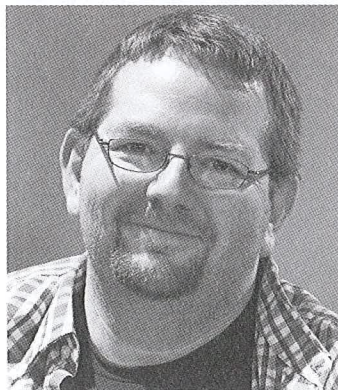

## Greetings from Theatre Ontario

Welcome one and all to Festival 2016 in Woodstock! Theatre Ontario heartily congratulates everyone involved in putting it all together: the talented cast and crew of the five performing companies, the esteemed adjudicator Ron Cameron-Lewis, the extraordinary dedication of the volunteers and sublime guidance of the Festival committee, led by Bonnie Hartley and Sue Robinson. The Western Ontario Drama League is renowned for their excellence, not only in entertaining their audiences, but also in producing a festival with excitement to spare. And Theatre Ontario is proud to play their part in supporting great community theatre through to our Festival 2016, being held in North Bay during the May long weekend. Join us in celebrating the joys of all five nights here with great theatre, wonderful events and friendships, both old and new. Bravo!

*Bruce Pitkin, Executive Director, Theatre Ontario,*

*Deb Sholdice, President, Board of Directors Theatre Ontario,*

*Brandon Moore, Community Theatre and Communications Manager*

## Greetings from Western Ontario Drama League

Welcome everyone to the 2016 WODL Festival. This week promises to be a culmination of the great talent that our Region has to offer. Through the years of my involvement in WODL, I have had the pleasure of working with a number of our member groups. And even though this week is a competition for representation at Theatre Ontario, the true meaning of Community can be felt throughout this week. Behind the scenes, friendships form and our family keeps growing.

On behalf of the WODL Board of Directors, I invite you to join us as we have all come together to celebrate the art of Community Theatre. And remember... the Earth without "Art" is just "Eh".

*Tim Dawdy, President*

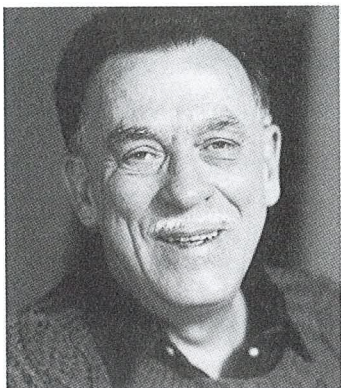

## Greetings from Theatre Woodstock

"Volunteers [community thespians] don't get paid—not because they're worthless, but because they're priceless." – Sherry Anderson

When I first got involved with Theatre Woodstock, I was immediately touched by the value placed on expanding the human potential. This hooked me immediately. It's all about the priceless spark each of us brings. As you come through our doors, I hope find your light and see the depth of value and investment as these five companies offer us their priceless performances.

*Pete Dunbar, TW President*

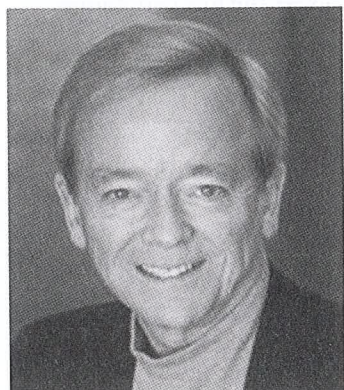

### **Preliminary Adjudicator – Sandy Macdonald**

Sandy Macdonald is a director, actor and acting coach with some five decades of experience working in theatre, in both England and Canada. He has been Artistic Director of the Lighthouse Festival Theatre in Port Dover and of the Huron Country Playhouse in Grand Bend, as well as Associate Director/Producer of Rainbow Theatre in Parry Sound and Theatre Muskoka. Among his favourite directing credits are *The Importance of Being Earnest*, *Private Lives*, *Shirley Valentine*, *Nurse Jane Goes to Hawaii*, *Little Shop of Horrors*, *Nunsense*, *A Funny Thing Happened on the Way to the Forum* and *The Maids*.

Sandy has worked as a director and workshop leader with community theatre groups in several cities and towns across the province, including Kanata, Woodstock, Ingersoll, Sudbury and Peterborough. As well, he has adjudicated for ACT-CO, WODL, QUONTA and EODL as well as the Sears Drama Festival and the New Brunswick Drama League.

Sandy's acting experience includes seasons at Lincoln and Windsor Repertory Theatres, and the Chichester Festival Theatre, in England (longer ago than he cares to remember!) At the latter, he had the privilege of working with two of Britain's greatest names in theatre, Sir Alec Guinness and Sir Peter Ustinov. His acting credits include Willie Clark in *The Sunshine Boys*, Jack in *Brighton Beach Memoirs* and Herb in *I Ought To Be In Pictures*. He is particularly proud of two cameo roles, Merriman in *The Importance of Being Earnest* on stage and a soldier in the classic action film, *The Dirty Dozen*.

### **Festival 2016 Adjudicator – Ron Cameron-Lewis**

Ron is well known to community groups across the province as a teacher, adjudicator and workshop leader. He has adjudicated well over 2,000 productions throughout Ontario for community and educational theatre festivals, as well as in the USA at state, regional, national and international levels. Since 2010, he has taught the art of adjudication to 50 people, three times at Theatre Ontario Festivals and twice at AACT national festivals in Rochester, New York, and Carmel, Indiana. In 2010, Sheridan Institute of Technology and Advanced Learning appointed him Professor Emeritus, and in 2013, Ron was elected as Member-at-Large for the American Association of Community Theatres for a three-year term. He is also the author of *Acting Skills for Life*.

### **HOUSE RULES**

- Use of photographic and recording devices is strictly prohibited

This “romantic-dramedy” features an apartment superintendent Dwight whose ex-wife suddenly shows up after having left him ten months before. Dwight sees this as reconciliation, but Lenore has really returned because the lottery numbers they played a year ago is a winner. Lenore only wants the ticket and is gone; but Dwight has a total different agenda. Enjoy the shenanigans as one tries to out-manipulate the other.
